INTRODUCTION

This manual has been prepared for guidance in training personnel, as well as to assist in answering your questions about the Wyoming WIC Program requirements. All previous versions of the Vendor Manual are obsolete.

Each local WIC clinic is responsible for monitoring and training all authorized WIC vendors in their area.

My local vendor monitor is:			
Telephone:			
Available on the following days:	<input type="checkbox"/> Monday	<input type="checkbox"/> Tuesday	<input type="checkbox"/> Wednesday
	<input type="checkbox"/> Thursday	<input type="checkbox"/> Friday	

If you cannot reach your local vendor monitor, please contact the State Office.

STATE CONTACT INFORMATION

Address:	122 West 25 th Street; 3 rd Floor West Cheyenne, WY 82002

WIC PROGRAM INFORMATION

WIC is a federally-funded program that provides supplemental foods, health care referrals, and nutrition education for low-income pregnant, breastfeeding, and non-breastfeeding postpartum women and for infants and children (up to age 5) who are found to be at nutritional risk.

Benefits to participants in the WIC Program include:

- Education and counseling about nutrition and health
- Referrals to other health services that can be of assistance
- Education, training, and support for successful breastfeeding
- Nutritious supplemental foods prescribed by WIC staff

The goals of WIC are to:

- Reduce the incidences of low birth weight babies
- Increase the incidence and duration of breastfeeding
- Increase knowledge of nutrition and preventative health

Participant Eligibility

A participant is eligible if they:

- Live in Wyoming
- Are a pregnant, breastfeeding woman (eligible up to 1 year after delivery) or postpartum woman who is not breastfeeding (eligible for six months after delivery); or an infant or child (up to age 5)
- Have a medical or nutrition need
- Have a household income that is based on household size and is less than or equal to 185% of the poverty level (income guidelines are set by the Federal Government and are updated annually)

How is WIC funded?

WIC is funded by the United States Department of Agriculture (USDA) and administered by the Wyoming Department of Health, Public Health Division. The WIC Program was established in 1972 by Congress and adopted in Wyoming in 1980. Local WIC Program services are available in all counties in Wyoming

Why does WIC specify infant formula brands?

Congress has mandated that WIC must use the infant formula company that provides the greatest savings to the Program. Wyoming joined a purchasing alliance with 25 western states, U.S. Territories, and Indian Tribal Organizations to achieve the greatest buying power. The Wyoming WIC Program agrees to purchase the manufacturer's formula and in return, the manufacturer agrees to pay a rebate for each container of their infant formula purchased through the WIC program. Because of the competitive bidding process, the infant formula brand provided by the program is subject to change.

How do the vendors fit into the program?

Vendors (grocery stores) are critical to the success of the WIC Program. WIC participants receive WYO W.E.S.T. cards at their local WIC clinic. These cards contain food items designed to meet the specific nutritional needs of the participant, promote the healthiest possible birth outcomes, and promote the growth and development of children. Vendors act as the final step in the WIC process, ensuring that WIC customers receive the nutritious foods prescribed to them.

WIC participants will typically shop for all their groceries, in addition to their WIC foods. This can have a positive impact on the store's overall sales. WIC is good business. During 2020, Wyoming WIC participants purchased more than \$4 million in approved foods from vendors. On average, participants spend \$3 to \$4 of their own money for every \$1 of foods purchased with WIC benefits.

WYO W.E.S.T. Card

WYOMING WIC EBT System Today. Below is a picture of Wyoming WIC's EBT card. WIC benefits are loaded to the WYO W.E.S.T. card 3 months at a time. WIC participants may have more than one WYO W.E.S.T. card (i.e., a foster parent will have a WIC card for each foster child).

Card Problems

Participants will need to contact their local WIC clinic for any WYO W.E.S.T. card specific problems. If the local WIC clinic is not available, call the State Office at 307-777-7494 or 1-888-WYO-WEST.

PROGRAM ADMINISTRATION

Vendor Authorization Information

Vendors will be notified within 30 days after submission of their Application for Vendor Authorization (Appendix 1) whether or not it is approved. Approved vendors must agree to an on-site visit by the local vendor monitor to verify information provided in their Application is accurate. New vendor applications will be accepted on an ongoing basis and evaluated at that time.

Vendors must meet and maintain minimum requirements of authorization at all times during the Agreement period. Failure to do so may result in sanctions, up to and including termination of the Agreement. The Wyoming WIC Program may deny a vendor's reapplication for authorization for failure to comply with program requirements.

Vendor Agreement

Vendors must sign a Vendor Agreement for the current Agreement period before any WIC transactions can occur. Once authorized, vendors are responsible for adhering to all conditions of the Agreement. The Vendor Agreement requires vendors to provide WIC foods at a competitive price.

The Vendor Agreement is between the Wyoming WIC Program and the vendor. For chain stores, the Agreement is not with the chain's regional or corporate office, it is with the individual vendor. Vendor Agreements are valid for up to three years, as specified by the Agreement. Current WIC vendors will be notified prior to the expiration of the current Agreement and will be visited by the local vendor monitor for Agreement renewal.

Potential Above 50% Stores

SNAP eligible food sales are required by the Wyoming WIC Program if a vendor is identified by USDA/FNS as being a Potential 50% Store. SNAP eligible food sales are used to determine whether or not a vendor has more than 50% of its

food sales from WIC transactions. If it is determined that the vendor does or will receive more than 50% of its food sales from WIC transactions, the Wyoming WIC Program will not authorize the vendor and will terminate the Agreement of an existing vendor.

The Wyoming Vendor Sales/Use Tax Return Form may be provided to the Wyoming WIC Program as documentation of SNAP eligible Food Sales (for 12 consecutive months).

Program Policy/Procedures

The Wyoming WIC Program sends out important information that can assist vendors in maintaining compliance with program requirements. Most of this information is sent via email. It is essential that all correspondence received is read and distributed to appropriate staff members. A current email address is required for every WIC authorized vendor. Vendors are responsible for employee training and ensuring employees are knowledgeable about current program policies and procedures. Ultimately, vendors are accountable for the actions of all store employees related to the WIC program. Vendors are encouraged to contact the local WIC agency or the state Vendor staff for clarification of program policies and procedures.

Clarifications, changes, and/or additions to the Wyoming WIC Program's Policies and Procedures may be made throughout the Agreement period. These changes will be transmitted electronically to vendors through email. Vendors will be notified by email thirty days prior to the implementation of the new policy/procedure.

Vendor Responsibilities

1. Accept training and monitoring of vendor personnel by WIC staff.
2. Allow the WIC customer to purchase only those WIC approved foods listed on their benefit balance receipt and the Wyoming WIC Authorized Product List (APL). Provide only the approved foods in authorized quantities and sizes specified. The WIC customer does not have to purchase all the foods listed on the benefit balance receipt but may not purchase more than what is listed.
3. Give the same courtesies and discounts to WIC customers that are given to other customers 7 CFR § 246.12(h)(3)(iii). This includes all store promotions, (i.e., "Buy-One-Get-One-Free", "Two-for-One", and Discount/Club Cards). Any vendor who knowingly refuses to provide a promotion or discount to a WIC customer shall be in violation of the Agreement and may be sanctioned for discrimination.
4. Ensure that all cashiers are trained in proper acceptance and processing of the WYO W.E.S.T. card and will contact the POS provider to receive training on processing WIC transactions if needed.
5. Provide necessary receipts for the WIC customer to accept/approve or reject the WIC transaction. Vendor personnel shall NOT accept/approve or reject/cancel the WIC transaction for the WIC customer.
6. Release food benefits to the WIC customer any time the WYO W.E.S.T. card is decremented when the system fails to build a claim file or include the transaction in the claim file.
7. Scan or manually enter UPC/PLU codes only for WIC authorized items being redeemed. Never scan codes from UPC/PLU codebooks, reference sheets or from any product not actually purchased with the WYO W.E.S.T. card.
8. Adhere to the International Federation for Produce Standards (IFPS) for product look-up codes (PLU) for the purposes of WIC EBT claim submission. Any fruit or vegetable must use an IFPS PLU for claim submission or if it is a UPC or local/store PLU it must be mapped to an IFPS PLU.
9. Not use, reproduce or apply any stickers, tags, channel strips, shelf-talkers, labels or signage that have the WIC acronym or logo on WIC-approved products except those provided or approved by the Wyoming WIC Program. Not use any aspect of the WIC acronym or logo, or close facsimiles in the name of the vendor, vendor advertising, promotional material, or incentives.

10. Not treat WIC customers differently by offering them incentive items that are not offered to non-WIC customers or not offering WIC customers the same courtesies that are offered to non-WIC customers. This is a violation of Federal WIC regulations, thereby constituting a vendor violation.
11. If an issue arises during a transaction requiring manager assistance, cashiers cannot publically identify the transaction as “WIC”.

POS Requirements

For participation in the Wyoming WIC program, a vendor applicant must demonstrate their cash register system or payment device can accurately and securely obtain WIC food balances associated with a WYO W.E.S.T. card; maintain the necessary files such as the APL, Hot Card List (HCL), and Claim file; and successfully complete WIC EBT purchases prior to authorization unless the Wyoming WIC Program determines that the vendor is necessary for participant access. Authorized vendors must comply with WIC EBT Operating Rules and the Technical Implementation Guide established by USDA/FNS.

Minimum lane coverage requirements - POS terminals shall be deployed as follows:

- Superstores and supermarkets - There will be one POS terminal for every \$11,000 in monthly WIC redemption up to a total of four POS terminals, or the number of lanes in the location, whichever is less.
- All other vendors - One POS terminal for every \$8,000 in monthly redemption up to a total of four POS terminals, or the number of lanes in the location; whichever is less.

The Wyoming WIC Program shall not pay ongoing maintenance or operational costs for vendor systems and equipment used to support WIC EBT, unless the vendor is needed for participant access. The rate of reimbursement to the vendor for WIC EBT ECR maintenance is determined by the Wyoming WIC Program (Request for Maintenance Reimbursement Form, Appendix 3). Any hardware/software problems related to WIC transactions will need to be resolved by vendor staff or by the vendor’s technical support. The Wyoming WIC Program is not responsible for servicing equipment in the grocery stores. Failure to take corrective action to get WIC transaction processing operational when it is inoperable may result in a sanction.

Note: If a system is temporarily unable to process WIC transactions, the vendor must inform customers by posting signs at all store entrances. If a lane is unable to conduct WIC transactions, a sign must be posted to indicate that the lane is temporarily down for WIC.

If SNAP transactions are not working, it does not mean that WIC transactions will not work.

SELECTION CRITERIA USED TO AUTHORIZE A VENDOR

Vendors may be assessed or re-assessed any time during the agreement period using the following vendor selection criteria. Vendors will be terminated if they fail to meet the following criteria:

1. Clearly mark shelf prices on all WIC items.
2. Be competitively priced within their assigned peer group. A vendor that is needed to ensure participant access to supplemental foods may be exempt to the competitive pricing criteria.
3. Demonstrate minimum stocking and inventory of WIC authorized foods as listed in this Vendor Manual.
4. No involvement in any activity that would indicate a lack of business integrity:
 - a. No history, during the last six years by the vendor applicant or any of the vendor applicant’s current owners, officers, or managers of having been convicted of or had a civil judgment entered against them for any activity, indicating a lack of business integrity. Activities indicating a lack of business integrity

include fraud, antitrust violations, embezzlement, stolen property, making false claims, and obstruction of justice.

- b. The Wyoming WIC Program may rely solely on facts already known to it and representations made by the vendor applicant on its Application. The Wyoming WIC Program may add other types of convictions or civil judgments to this list.
 - c. No history of WIC sanctions or disqualifications, and has not been sold to circumvent a WIC sanction.
 - d. Must not have had their Vendor Agreement terminated for cause by the Wyoming WIC Program within the last 90 days.
 - e. Has been disqualified from SNAP or assessed a civil money penalty for hardship.
5. Purchase infant formula from licensed wholesalers, distributors, and/or manufacturers licensed with the Food and Drug Administration. The Wyoming WIC Program may require that a purchase invoice be provided at authorization/reauthorization and routine monitoring.
- a. A formula invoice may be required within 90 days for a new vendor.
6. Be a full service grocery store and must stock and provide a variety of foods in each of the following staple food groups on a continual basis:
- a. ten pounds of fresh meat (beef/pork)
 - b. ten pounds of fresh poultry or fish
 - c. bread and cereal
 - d. fresh fruits and vegetables
 - e. dairy (milk, eggs, and cheese)
 - f. infant foods (single fruits/vegetables and meats)
7. At least fifty percent of total edible food sales must be from non-WIC transactions.
8. Must be a location necessary to ensure adequate participant access if a new vendor (excluding ownership and store location changes).
9. Authorized vendors must have averaged more than \$100.00 per month over the previous 6 months of operation and average 10 or more participants purchasing WIC benefits at this store. (Pharmacies are exempt from this criteria).
10. Compliance with previous Vendor Agreement (if applicable).
11. Must be authorized by SNAP and must provide the SNAP authorization number.
12. Open for business at least 8 hours daily, 6 days a week.
13. If a new vendor, they must demonstrate their cash register system or payment device accurately and securely obtains WIC food balances associated with the WYO W.E.S.T. card, maintains the necessary files such as the APL, HCL, and Claim file and successfully completes WIC EBT Purchases.
- a. Vendor must pass a Level 3/In-Store Certification performed by WIC staff.
14. Other:
- a. Must have a policy in place to prevent a conflict of interest between the Wyoming WIC Program and the vendor.
 - i. The Wyoming WIC Program shall terminate the Vendor Agreement if it identifies a conflict of interest between the vendor and the Wyoming WIC Program or its local agencies.

- b. Demonstrate safe and sanitary conditions and does not sell WIC items that have been dented or damaged in any way, previously opened, marked or stamped with another store name, out-of-date or altered (case lot numbers, expiration dates, or marked through UPC codes).
- c. Must agree not to provide promotion and/or incentives using federal WIC Program funds.
- d. Must agree not to treat WIC customers differently by offering them incentive items that are not offered to non-WIC customers.
- e. If a new vendor, it must be needed by WIC participants (10 or more participant households use or plan to use the new store to purchase their WIC benefits).
- f. The applying vendor cannot be a:
 - i. Farmer
 - ii. WIC Only Store
 - iii. Convenience Store
 - iv. Store located outside of Wyoming
 - v. Pharmacy (unless there are no pharmacies in a grocery store or in the area)
 - vi. Mobile or food delivery service

FOODS AVAILABLE IN THE WIC PROGRAM

Foods approved by the Wyoming WIC Program are chosen based on their nutrient content, availability, cost, and acceptance by participants. WIC authorized foods are rich sources of WIC target nutrients such as; iron, calcium, protein, vitamins A and C, fiber, folic acid, vitamin B6, magnesium, and zinc. These nutrients are often missing in the diets of women, infants, and young children. WIC foods are meant to supplement participants' diets and include the following:

- | | |
|-------------------------|---------------------------|
| ● Dairy and Eggs | ● Beans and Peanut Butter |
| ● Fruits and Vegetables | ● Breakfast Cereal |
| ● Juice | ● Fish |
| ● Whole Grains | ● Baby Food |

Note: A large percentage of WIC food benefits are redeemed the first few days of the month. Be sure your shelves are well stocked at that time with WIC approved products.

Vendors may not provide refunds or permit exchanges for authorized WIC foods except for exchanges with the exact same brand and size when the original WIC food is defective, spoiled, or has exceeded its "sell by" or "best if used by", or other date limiting the sale or use of the food item.

An identical authorized WIC food means the exact brand and size as the original WIC food obtained and returned by the clients.

Food Shopping Guide

The Wyoming WIC Food Shopping Guide helps identify which brands, types, and sizes of foods are allowed to be purchased with WIC benefits. Vendors should keep a current copy at each cash register. If you need copies of the food shopping guide, please contact your local vendor monitor or email wdh-wywicvendor@wyo.gov. The most current version of our food shopping guide can also be viewed through the WICShopper app. or on our website at: <https://wyoming.wicresources.org/food-shopping-guide/>

WIC participants receive the same food shopping guide from their local WIC clinic. Participants must always select foods by the designated types and specific brands listed on the WIC Food Shopping Guide. **IF A BRAND OR TYPE OF FOOD IS NOT ON THE FOOD SHOPPING GUIDE, IT IS NOT APPROVED. NO SUBSTITUTIONS ARE ALLOWED.**

Formula Exchanges

If a WIC customer requests a different formula than what they have loaded on their WIC card (or they purchased previously with their WIC benefits), please refer them to the local WIC clinic.

MINIMUM STOCKING REQUIREMENTS

Each vendor is required to stock a minimum variety and quantity of each type of WIC authorized food at all times. Vendors must provide food that is fresh and within its expiration date, sell by, best if used by, or used by date. The specific stocking requirements are referenced in the table below.

Stocking requirements differ for grocery store types.

The following vendor types must meet the stocking requirements as listed in the table below:

- Independent Store and Local Chain Store

The following vendor types must meet the stocking requirements as listed in the table below:

- Super Store
- National or Regional Chain Store
- Commissary

If a vendor is out of stock of a specific item, the vendor **CANNOT SUBSTITUTE** it for another item.

If the vendor does **not** have adequate stock:

- The local vendor monitor will verify with vendor staff that additional stock is not present in the grocery store elsewhere.
- The local vendor monitor will verify the vendor has, or is applying for, a WIC Product Waiver (Appendix 2). If so, the vendor will not be required to stock certain WIC authorized foods:
 - Powdered Soy Contract Formula
 - Any Infant Formula
 - Any Infant Products
 - Fish
- Vendor staff will be advised that they are in violation of their current Vendor Agreement. The vendor will be sanctioned 6 points if stock is not met at the next local vendor monitor visit (within 30 days) and the Vendor Agreement can be terminated.
- A new vendor will not be authorized until the minimum stocking requirements are met.

Authorized Food	Description	Size	Minimum Stock	
			Independent Store Local Chain Store	Super Store National or Regional Chain Store Commissary
Breakfast Cereal	4 different types ● Two must be whole grain (refer to WIC Food Shopping Guide)	9 to 36 ounce	12 Boxes Total	18 Boxes Total
Beans / Peas	2 dried varieties	1 pound	4 packages	8 packages
Cheese	2 different types: block, shredded or sliced	8 or 16 ounces	4 packages	8 packages
Eggs	White or Brown; large A or AA	1 dozen	4 dozen	8 dozen
Fish	Must carry both water-packed Tuna and Salmon	2.5, 3, 5, or 6 ounce cans or pouches	Tuna ● 4 cans/pouches Salmon ● 4 cans/pouches	Tuna ● 8 cans/pouches Salmon ● 8 cans/pouches
Fresh Fruits & Vegetables	● Individual, bulk, packaged, whole, or cut up ● Regular or organic	pounds	<i>5 Pounds Total</i> Fruits ● 2 different types Vegetables ● 2 different types	<i>10 Pounds Total</i> Fruits ● 4 different types Vegetables ● 4 different types
Juice	2 different flavors each: 1. 11.5 – 12 ounce frozen 2. 64 ounce shelf stable	Frozen ● 11.5 - 12 ounces Shelf Stable ● 64 ounces	Frozen ● 4 cans Shelf Stable ● 4 bottles	Frozen ● 8 cans Shelf Stable ● 8 bottles
Milk	2 types of fat content: 1. Whole 2. Low-fat or nonfat (Skim)	Gallon and Quarts	Whole ● 4 gallons ● 2 quarts 1% / Nonfat (Skim) ● 4 gallons ● 2 quarts	Whole ● 8 gallons ● 4 quarts 1% / Nonfat (Skim) ● 8 gallons ● 4 quarts
<i>Note: Quarts of milk may be waived if they adequately stock quarts of whole fat <u>and</u> low-fat/nonfat yogurt.</i>				
Yogurt	Regular or Greek 2 types of fat content: 1. Whole 2. Low-fat or nonfat	Quart	Whole ● 2 quarts Low-fat / Nonfat ● 2 quarts	Whole ● 4 quarts Low-fat / Nonfat ● 4 quarts
<i>Note: Quarts of yogurt may be waived if they adequately stock quarts of whole fat <u>and</u> low-fat/nonfat milk.</i>				

Authorized Food	Description	Size	Minimum Stock	
			Independent Store Local Chain Store	Super Store National or Regional Chain Store Commissary
Peanut Butter	Creamy or Crunchy	16 – 18 ounces	3 jars	6 jars
Whole Grains	2 different types 1. 100% Whole Wheat Bread 2. Other-Brown Rice, Corn, Whole Wheat Tortillas or Whole Wheat Pasta	16 ounces	100% Whole Wheat Bread • 2 loaves of 16 ounce bread Other Whole Grain • 6 packages	100% Whole Wheat Bread • 4 loaves of 16 ounce bread Other Whole Grain • 12 packages
INFANT FOODS				
Infant Cereal	2 types (plain, no fruit added) • Dry • Regular or organic	8 or 16 ounces	2 boxes total	6 boxes total
Infant Fruits & Vegetables	3 different varieties • Single or mixed ingredient • Regular, natural or organic • 1 st , 2 nd , 3 rd (crawler) foods • Each item in multipack is counted individually	2 to 10 ounces	8 containers total	24 containers total
Infant Meats	• Regular or organic • Single meat with broth or gravy	2.5 ounces	Not required*	10 containers total • 1 different types
Contract Infant Formula: Milk Based	Powdered	Size may vary	6 cans	12 cans
Contract Infant Formula: Soy Based	Powdered	Size may vary	Not required*	6 cans

*Not required = vendor must attempt to stock, within 72 hours, at the request of the WIC customer and/or local WIC clinic.

Soy Beverage

Soy beverage is a substitution for regular milk and is not required to be stocked on the shelves; however, if a WIC customer requests it, the vendor must attempt to stock it within 72 hours.

Formula

Occasionally “special” formula will be issued to a WIC participant and must be specified on the Beginning Balance receipt. We ask that WIC customers communicate with the grocery store when they need a special formula which is not normally stocked in sufficient quantities in the store to meet their needs. **The vendor must stock, within 72 hours, special formula at the request of the WIC customer and/or local WIC clinic. This formula should be available 2 days before the first of the month while requested.** A hardship exemption may be applied for in writing to the State Vendor Coordinator regarding the 72 hour time frame which will be evaluated on an individual basis.

- If a limited amount of formula is available on the shelf and more is located in a separate area, post a sign to inform customers that you have additional formula and where to request it.
- An exception to the above infant formula/food requirements may be made in certain areas where infant formula/food is not being utilized. A Product Waiver must be signed by both the State Vendor Coordinator and the vendor to be kept in the vendor's file.
 - Any vendor, who is granted an infant formula/food waiver, must agree to have the infant formula/food available within 72 hours of the initial request by the WIC Program, and continue to keep the formula/food stocked as long as it is needed by the WIC customer(s).

NOTE: *The Wyoming WIC Program is required to maintain a list of infant formula wholesalers, distributors and retailers licensed in the state, and infant formula manufacturers registered with FDA, from which authorized vendors shall purchase infant formula. This list will be posted on the Wyoming WIC Program's website under Vendor Services.*

MAPPING FRESH PRODUCE

Mapping refers to matching the WIC Vendor's product identification numbers used in the store to those on the WIC State Agency's APL file so that authorized WIC food items may be identified. Linking may be another term for mapping. If a store is not compliant with the mapping requirements below, it will result in a sanction.

- Fresh produce that has a retailer assigned UPC/PLU (UPC with a prefix of "4" or "9" or short PLU less than four digits), regular UPC or GTIN shall be mapped to a "like" IFPS PLUs and the mapped IFPS PLUs shall be used for purchase approval and reporting.
- Generic retailer-assigned PLU codes listed in the IFPS PLU list must be mapped to a specific "like" IFPS PLU.
- If a WIC vendor requires GS1 barcodes to be scanned in the checkout lane, the cash register must support WIC redemptions using these GS1 barcodes. The WIC vendor may embed the PLU code and use this to match the appropriate PLU code on the State APL file or establish other methods to match the barcode to the APL.
- Random weight (cut fresh fruit/vegetables) fresh produce items identified with a UPC prefix of "2" shall be mapped to an IFPS PLU for the food item and the mapped IFPS PLU shall be used for purchase approval and reporting.
- Mapping shall only be done for **fresh** fruits and vegetables identified as eligible for Cash Value Benefit (CVB) redemption in the Wyoming WIC APL. WIC eligible fresh produce includes:
 - Regular and organic fresh produce
 - Cut or whole fresh produce
 - All packaging for fresh produce
 - Fresh immature beans
 - Fresh herbs (and cinnamon) may be added as an ingredient in products, but cannot be the main ingredient
 - Cut fresh apples with added ascorbic acid and no added sugars (ascorbic acid to prevent browning is allowed)
 - Garlic, including fresh garlic (not processed) in a jar
 - Fresh salsa with vinegar and/or herbs
 - Pumpkins must be edible and fit for consumption, not painted, decorated, or carved

- **DO NOT** map any of the following:
 - Packages with butter, cheese, cream, croutons, dips, dressings, nuts and/or sauces
 - Party trays/platters meant to be purchased and served to a group of people at a gathering or a party (i.e., party platters typically ordered through stores' catering services or deli)
 - Loose bulk herbs
 - Fresh fruit with sugar (corn syrup, high-fructose corn syrup, maltose, dextrose, sucrose, honey and maple syrup)
 - Fresh vegetables with sugar (corn syrup, high-fructose corn syrup, maltose, dextrose, sucrose, honey and maple syrup), fat or oils

The Appendix contains two lists to further help with mapping.

1. **WIC Authorized PLUs** (Appendix 8):

- a. These are the only codes Wyoming WIC will recognize and allow for WIC CVB purchase. You must use one of these 4 or 5 digit PLU codes when mapping.
 - i. Examples:
 - 033383902012 - bag of carrots can be mapped to 4094 (bunched carrots)
 - If carrots are loose, map to 4562
 - If carrots are cut up, map to 4563
 - For mixed fruit or vegetables, choose one of the fruits or vegetables in the container/package for mapping
 - i.e., container of cut-up melons (contains a mixture of watermelon, cantaloupe, and honeydew) can be mapped to 4034 honeydew
 - ii. PLUs for organic items will be 5 digits and begin with a "9"
 - i.e., 4011 is the PLU for regular bananas; 94011 is the PLU for organic bananas

2. **WIC Unauthorized PLUs** (Appendix 9):

- a. These PLUs cannot be used for mapping fresh produce and cannot be purchased with WIC CVB benefits.
 - i. Examples:
 - Dried
 - Decorative Fruits & Vegetables
 - Herbs/Spices as the main ingredient

WIC LOGO/SHELF TALKERS

The WIC® logo and acronym are registered trademarks of the USDA and therefore, WIC authorized vendors are not permitted to utilize any aspect of the WIC acronym or logo, or close facsimiles in the name of the store, store advertising, promotional material, or incentives. Use of the WIC acronym or logo, or close facsimiles in the name of the store, for advertising, promotional material, or incentives will result in sanctions. Use of the WIC acronym or logo, or close facsimiles prior to authorization in the name of the vendor, for advertising, promotional material, or incentives will cause a non-authorization status for 90 days from the notification of the inappropriate usage.

The Wyoming WIC Program restricts the use of channel strips or shelf talkers with the WIC acronym or logo to only those preapproved by the State Vendor staff. Vendors must send a written request and justification to the State Vendor Coordinator if the vendor wants to supply their own channel strips or shelf talkers and/or signage. The Wyoming WIC Program does not approve WIC shelf talkers/channel strips that contain any brand or company names or logos. If a vendor chooses to use WIC approved shelf talkers/channel strips on WIC allowable items, then all WIC-allowable items in the category must be labeled; not just a specific brand. The only exception to this is the labeling of infant formula. If a vendor chooses to label infant formula, only label the current contract brands of milk and soy-based formula in powder

and concentrate. Vendors may have a sign, pamphlet, poster or brochure indicating that WIC is accepted at that store as long as the letters are printed in the same size and in the same print style.

To request channel strips or shelf talkers (Appendix 4) provided by the Wyoming WIC Program, please contact local or state WIC vendor staff.

WIC Vendor compliance with the policies regarding the use of the WIC Acronym and logo will be evaluated at the initial on-site authorization visit, any other on-site visits (regardless of the reason), during educational, or compliance purchase visits and by any other objective means.

CASHIER TRAINING

New cashiers should be trained how to do WIC transactions prior to a “live” WIC transaction. Cashiers should be trained using a WIC training card provided by the Wyoming WIC Program. The cash register lane can be placed in training mode and a WIC transaction simulated using the WIC training card. Benefits are never actually removed from a training card even though it will appear that benefits were removed from the card at the end of the WIC transaction. When the card is reinserted for a new transaction or balance inquiry, the benefits will be restored to the original balance. In training mode, all receipts will print just as they would in regular/redemption mode.

Cashiers should be trained on both single tender (WIC-only transactions) and multi-tender transactions (WIC and non-WIC transactions) with WIC. The training card should be kept in the Vendor Handbook or an alternate place where it will not be lost.

The WIC Program has put together a “Troubleshooting WIC Card” (Appendix 5) that can be provided to stores to place in each cash register lane as a reference for cashiers. Often when an error message appears on the card reader, there is nothing actually wrong with the card. Troubleshooting may resolve the problem so the WIC customer is able to shop with their WIC benefits.

Requirements

- WIC customers must be treated like all other customers.
- Cashiers must scan the actual UPC of the product. Store staff are not permitted to override or allow any substitutions by scanning a barcode from another product or by scanning a barcode from a pre-printed sheet.
- Cashiers must give the WIC customers the Redemption/Utilization receipt to identify the foods that will be removed/deducted from their card/benefits.
- Cashiers cannot ask for or enter the PIN for the WIC customer.
- Cashiers cannot accept or cancel the WIC transaction for the WIC customer.
- Cashiers should take the WIC customer to a different lane if their current register is not accepting WIC or is having issues.
- WIC customers must be allowed to leave the store with any foods that are removed from their card. They should not be expected to pay for their WIC foods when the WIC transaction is not successful.
- Notify store management when fresh fruits and vegetables do not scan as WIC eligible.
- If the WIC customer does not have current month benefits, please advise them to contact their local WIC clinic.
- WIC can be voided and may need supervisor approval.
- Allow WIC customers enough time to follow the prompts on the PIN Pad.

Balance Inquiry

Vendors must provide the WIC customer with a Benefit Balance receipt prior to beginning a purchase if requested by the WIC customer. Vendors cannot require a minimum purchase in order to process a balance inquiry.

Split Tender

Split tender refers to a single fresh or frozen produce item being redeemed using WIC CVB and using one or more additional methods of payment. For example, a WIC customer would like to purchase an avocado priced at \$1.99, but only has \$1.00 remaining CVB on their WIC card. With split tender, the WIC customer will be able to use the \$1.00 CVB toward the avocado and the remaining \$0.99 would move to the non-WIC total. This allows the WIC customer to “split” the cost of the avocado between their WIC benefit and a different tender.

Benefit Reversal

If the WIC customer does not have an alternate method of payment for a split tender transaction, a benefit reversal or WIC void may be performed and the WIC benefits returned/restored to the card. The new balance of WIC benefits shall be provided to the WIC customer on the receipt. In some stores, this may be a manager function.

Note: If store staff have questions about any of the above functions, please contact your technical support.

RECEIPT INFORMATION

WELCOME TO WYOMING GROCERY STORE		

WIC BEGINNING BALANCE RECEIPT		
PAN: *****6789 State: WY		
QTY	UOM	Description
1.00	POUND	Cheese
2.00	DOZEN	Eggs
36.00	OUNCE	Breakfast Cereal
2.00	JARBAG	Beans/Peas/Peanut Butter
30.00	OUNCE	Salmon or Tuna
16.00	OUNCE	Whole Grains or WW Bread
11.00	\$\$\$\$	Fruits and Vegetables
5.00	GALLON	1% or Fat Free Milk

Store: 00001 Register: 001 Cashier: 0001
Ticket#: 0012 15APR2021 12:12:01

THANK YOU!

Cashiers must provide **ALL WIC** receipts to WIC customers. This includes:

- A **Beginning Balance receipt** which prints at the beginning of every WIC transaction and displays what benefits are on the card for the current month prior to the WIC purchase.
- A **Redemption/Utilization receipt** which either prints or displays on the PIN pad after the cashier tenders WIC and must be provided to the WIC customer prior to confirming the transaction.
 - Items applied to WIC that will be decremented from the card must be identified on the receipt.
 - If the WIC customer agrees with what is on the **Redemption/Utilization receipt** (food items to be removed from their benefits), they can press “yes” on the PIN pad to confirm.

- If the WIC customer does not agree with what is to be taken off their WIC card, they can press “no” on the PIN pad. This will then allow changes to be made to the transaction and WIC to be re-tendered.
- An **Itemized Store receipt** which displays all WIC food items, as well as any non-WIC items that were purchased along with the total for the WIC purchase and any other payment types that were used in the transaction.
- An **Ending Balance receipt** will print after the entire transaction has been finalized and displays the remaining benefits on the card for the current month.

WIC EBT PRICING AND PROMOTIONS

WIC vendors may sell WIC-approved food items with special item pricing and/or promotional discounts that are available to all store customers. In addition, manufacturers and other organizations may offer all store customers promotional discounts based on satisfying certain purchase criteria via manufacturer coupons, electronic marketing and/or other marketing programs. Vendors must ensure that the Wyoming WIC Program does not pay more for a redeemed product than a typical customer of the store in accordance with the Agreement established with the Wyoming WIC Program, including item pricing, manufacturer coupons, loyalty card, and promotional discounts. Failure to provide the same courtesies to WIC customers is a violation of Federal WIC Regulations.

Vendors must apply item pricing and/or promotional discounts to WIC CVB purchases in the same manner as they are applied to purchases of other prescribed WIC foods. The WIC customers' CVB should be decremented by the discounted price (the net price after the discount has been applied).

Vendor discounts included in this requirement are:

- Buy One, Get One Free (BOGO)
- Buy One, Get One at a Reduced Price
- Transaction Discounts (\$ or % off an entire transaction)
- Loyalty card discounts on WIC-allowable items
- Manufacturer's Coupons
- Free ounces added to food item by manufacturer (bonus size items)

Note: For technical details on how to process WIC transactions with special item pricing and/or promotional discounts, refer to the rules set forth in the WIC EBT Operating Rules found at: <https://www.fns.usda.gov/wic/wic-ebt-technical-implementation-guide-and-operating-rules>.

IMPORTANT POINTS TO REMEMBER WHEN ACCEPTING A WYO W.E.S.T. CARD

How to know what food the WIC Customer should receive

All WIC foods that are issued to the WYO W.E.S.T. card for WIC customers are listed on the Beginning and Ending Balance receipts. The benefit expiration date is also listed at the bottom of the receipts. Food categories and quantities issued are listed on these receipts. **No substitutions may be made.**

What to do if an item does not scan as a WIC item

1. **The item is not issued to the WIC customer.** Check the beginning balance for the WIC customer. A common occurrence of this situation is with whole milk/yogurt as children over the age of 2 and women are typically issued low-fat/nonfat milk or yogurt.
2. **The WIC customer may not have the benefits left for the purchase.** For example, the WIC customer attempts to purchase an 18 ounce box of cereal but only has a beginning balance of 16 ounces of cereal.

3. **The item is not WIC approved.** Check the Wyoming WIC Food Shopping Guide.

- a. If the item should be added to the WIC Approved Product List:
 - i. Take a picture of the product (include the name of the product, size, UPC code, nutrition facts panel, and ingredients) using a smart phone and email the pictures to wdh-wywicvendor@wyo.gov.
 - ii. Using the WICShopper App, use the “**I Couldn’t Buy This**” button, complete the fields and submit the product. The request will be sent to State Office WIC Vendor staff.
- b. If an item is approved, it will be added to the APL and will be available to purchase with WIC benefits.

4. **There is a problem with the WYO W.E.S.T. card.** If you suspect it is a WYO W.E.S.T. card problem, please have the WIC customer call their local WIC clinic or the 1-888-WYO-WEST number.

What to do if a WIC customer says they have forgotten their PIN

The Wyoming WIC Program requires the WYO W.E.S.T. card to lock after a maximum of seven PIN attempts.

If a WIC customer does not know their PIN or if they locked their WYO W.E.S.T. card, refer the WIC customer to their local WIC clinic.

Approving/Canceling a WIC Transaction

Vendors must allow Wyoming WIC customers to cancel/void or approve/accept their own EBT transactions. Cashiers should NOT do this for the WIC customer. Cashiers must provide WIC customers with the Redemption/Utilization receipt which should print when the cashier hits the key to tender WIC.

Card/PIN Confidentiality

Vendors must keep all Wyoming WIC customer information confidential and at no time confiscate the WIC customer’s WYO W.E.S.T. card or ask for the PIN of the WYO W.E.S.T. card.

WYO W.E.S.T. Signs

Vendors are required to place WYO W.E.S.T. signs provided by the Wyoming WIC Program at every entrance of the store (visible to WIC customers as they enter the store). These signs may be requested from your local vendor monitor. If a store does not have a WYO W.E.S.T. sign at the entrances, it will result in a sanction.

WIC Smart Cards Found in the Store (Returning Lost Cards)

If a customer leaves their WYO W.E.S.T. Card in your store:

1. Please notify your local vendor monitor/WIC clinic.
 - a. WIC staff can pick up WYO W.E.S.T. cards left at the store.
2. If the customer returns to claim the lost WYO W.E.S.T. card, perform a Balance Inquiry, insert the card into the terminal and have the customer enter their PIN number. If the system accepts the PIN number and generates a Beginning Balance receipt, you may return the card to the customer.

TRANSACTIONING AND REDEEMING WIC BENEFITS

Transaction

1. WIC customer proceeds to a lane and informs cashier that they will be purchasing some/all foods with WIC.
 - a. WIC customers are not required to separate their WIC food items from other food items and do not need to pay for their WIC foods in a separate transaction.
 - b. When a WIC customer inserts the WYO W.E.S.T. card into the PIN pad, a Beginning Balance receipt will print. The Beginning Balance receipt may be combined with the Redemption/Utilization receipt in step 8. The cashier must give this receipt to the WIC customer.
2. All items are scanned in the POS and then the cashier hits the key to tender WIC. WIC is tendered first and food quantities are decremented off the card based on the amount of each category authorized for that WIC customer.
3. Cashier **must** give the WIC customer the **Redemption/Utilization receipt** or it must be displayed on the PIN pad which identifies the foods that will be removed from the WIC customer's benefits.
4. WIC customer approves/accepts or cancels/voids the transaction.
 - a. If the WIC customer presses "yes" on the PIN pad and approves the transaction, the food quantities are decremented from the card
 - i. A benefit reversal can be done to put WIC benefits back on the card if a WIC customer does not have a different tender to pay the remaining balance of a CVB item (fresh fruit or vegetables) that was split with WIC benefits.
 - b. If the WIC customer presses "no" or cancels the transaction, the cashier can remove or add WIC foods to the transaction or may void the entire transaction.
5. Cashier completes transaction.
 - a. Any remaining foods need to be tendered with another form of payment for the transaction to be completed.
 - b. Cashier will give the WIC customer the **Itemized Store receipt** (showing WIC and non-WIC items that were purchased) and the **Ending Balance receipt**.

Submission for Redemption

6. The vendor's system periodically performs a data exchange with the WIC EBT processor FTP server for reimbursement for WIC transactions (at least once every 48 hours, but typically daily).
7. During the exchange, the following occurs:
 - a. Claim File is submitted by the vendor's system which includes the details of all WIC transactions for that day.
 - i. If the Claim File is accepted and processed, an Auto Reconciliation File (ARF) is created.
 - ii. If the Claim File is not accepted/fails to process or if there are errors with any of the WIC transactions, an Acknowledgment File (ACK) will be created. The vendor may not be paid for the failed transaction or the entire failed claim. The vendor will need to correct the error if applicable and resubmit the Claim File for payment.
 - iii. A Claim File may be processed but there can be transaction and individual item level payment reductions. These will be reflected in the ARF.
 - iv. The ARF and the ACK files are picked up by the vendor's system and the information is incorporated into the back office reporting. These files advise the vendor of:

- the specific amount of the claim paid,
 - if there were any transaction or item level payment reductions,
 - if there was any part of the claim not paid, and or the reason for any non-payment
- b. A current HCL and an APL are pulled into the vendor's system from the WIC EBT processor FTP server.
 - c. The HCL contains WIC WYO W.E.S.T. cards that have been hot carded for any reason, including loss, theft, or administrative action.
 - d. The APL contains a listing of the WIC authorized products (UPCs/PLUs) approved by the Wyoming WIC Program.

Reconciliation

8. On banking days, the WIC EBT processor initiates the payment for each vendor. It uses information in the vendor's ARF to create an Automated Clearing House (ACH) credit for that day.
9. WIC State office staff retrieve the ACH payment file from the WIC EBT processor and uploads the file to the bank for processing. This will submit payment via direct deposit to the vendor's bank account.

VENDOR PEER GROUPS AND COMPETITIVE PRICING

The Wyoming WIC Program is mandated to establish a vendor peer group system and distinct competitive price criteria and allowable reimbursement levels for each peer group. The Wyoming WIC Program must use the competitive price criteria to evaluate the prices a vendor applicant charges for supplemental foods (as compared to the prices charged by other vendor applicants and authorized vendors) and must authorize vendors that offer the program the most competitive prices 7 CFR § 246.12 (g)(4))

Vendors will be assigned to Peer Groups based on criteria determined by the Wyoming WIC Program as listed below:

- Vendor Type
 - Independent Store and Local Chain
 - Super Store
 - National or Regional Chain Store
 - Commissary

If vendors are determined to be placed in the appropriate peer groups, redemption data will then be used to determine the maximum reimbursement levels/NTEs for competitive prices.

The Wyoming WIC Program may change a vendor's peer group whenever it determines that placement in an alternate peer group is warranted 7 CFR § 246.12 (g)(4)(ii)(C)) The Wyoming WIC Program must establish procedures to ensure that a vendor selected for participation in the program does not, subsequent to selection, increase prices to levels that would make the vendor ineligible for authorization 7 CFR § 246.12 (g)(4)(iii).

A new vendor's peer group assignment will be evaluated within six months to ensure proper placement and competitive price levels. 7 CFR § 246.12 (g)(4)(i)(B).

At authorization, the Wyoming WIC Program shall notify vendors in writing of this assessment.

NOT-TO-EXCEED (NTE)

Vendors are reimbursed for foods purchased with WIC benefits. A reasonable price is determined based on the food item's category, subcategory, or UPC.

Vendors whose prices are higher than established NTE prices will only be paid up to NTE reimbursement levels. A request for reconsideration of NTE reimbursement levels must be submitted to the Wyoming WIC Program for review.

Settlement reimbursements paid to vendors will be for the total dollar amount as approved by the Wyoming WIC Program at the time of purchase. This amount represents the lesser of either the vendor's shelf price or the Wyoming WIC Program's NTE price. The NTE maximum does not permit vendors to routinely charge the NTE amount. Vendors must charge competitive prices comparable with the average price charged in their peer group and not exceed the posted prices and the prices charged to other customers.

Vendors may be sanctioned for charging prices that exceed eligibility requirements.

AUTHORIZED PRODUCT LIST (APL)

The APL contains UPCs and PLUs for all WIC approved food items. The most current APL is available for download to the vendor's system on a daily basis. APLs should automatically update. However, vendors are ultimately responsible for ensuring the most current version of the APL is available at all registers that process WIC transactions.

Items presented for purchase with WIC must be scanned or entered during the transaction. The POS will determine whether items are WIC approved and the WIC customer has available benefits. Items not approved by the system should never be processed as part of the WIC transaction.

HOT CARD LIST (HCL)

What happens if a WIC customer tries to use a hot card?

If a customer tries to use a WIC WYO W.E.S.T. Card found on the current HCL, they will receive the system message "Card Error Return to Clinic". The vendor's system also locks the card if it is on the HCL and the customer will not be able to use it at any store. Please refer the customer to the local WIC clinic.

What happens if the store accepts a hot card?

As long as the store has downloaded the HCL within the last 48 hours, the WIC State Office will honor and pay hot card transactions. However, if a store's Hot Card List is over 48 hours old, the store is liable for any hot card transactions accepted. The WIC State Office will not pay for these transactions and there is no appeal process for this issue.

CLAIM FILE SUBMISSION

The vendor is required to ensure submission/upload of Claim files to the WIC EBT processor FTP server. Regular business practices should be established for submitting Claim files to the Wyoming WIC Program, preferably within 24 hours of the transaction date. This **should not occur between 11pm and 1am MST**. Vendors are required to access the WIC EBT processor FTP server within a continuous 48 hour period of time for the purpose of downloading the current APL, HCL, ACK File (if applicable), and ARF (if applicable). Failure to do so may result in financial liability to the vendor.

PAYMENT DISPUTES

Vendors will be paid for all timely, valid WIC transactions conducted and electronically submitted to the Wyoming WIC Program. An authorized vendor may dispute a claim or transaction payment that has been reduced. This must be submitted to wdh-wywicvendor@wyo.gov as soon as it is discovered. There is no guarantee that dispute requests will be approved by the Wyoming WIC Program.

Late Claim Submission

WIC transactions can be submitted up to 60 days past the transaction date to be considered for payment. If a WIC transaction is submitted greater than 60 days past the date of the transaction, it will not be paid. The WIC program relies on timely submission of WIC transactions for replacement of benefits, reissuance/changes to benefits, fiscal reporting, and reconciliation of benefits in a given calendar month. If WIC transactions are not received timely, the Wyoming WIC Program can be found to be out of compliance with federal requirements.

Malformed Claims and Transactions

A dispute for the submission of a malformed transaction or claim must be received within 60 days of the date of the transactions in the claim. The vendor must provide an explanation of the event that caused the malformed submission of the claim file or individual transaction(s). If the vendor received an ACK file from the Wyoming WIC Program as a result of a malformed transaction or claim, the vendor must include this information in its written explanation specifying the original Claim file name that was rejected.

Invalid Electronic Signature

A dispute for the submission of an invalid electronic signature error must be received within 60 days of the date of the transaction. Errors related to electronic signatures on individual transactions within a Claim file may be caused by many factors and may require considerable investigation and assessment by the vendor, their technical support, and the Wyoming WIC Program. To dispute all or any part of a claim reduced because of invalid electronic signatures, a vendor must provide evidence that clearly demonstrates the transactions involved in the reduction were valid WIC transactions at the store. The vendor must provide evidence from the transaction log and/or electronic receipt copies that shows proof of the card being present in the lane, and WIC-eligible items being purchased and decremented from the card. The evidence must provide the PAN, date/time, lane number, UPCs purchased and category/subcategory information.

OTHER TRANSACTION ERRORS

A dispute for the submission of any other transaction errors must be received within 60 days of the transaction date. These transaction errors may require considerable investigation and assessment by the vendor, their technical support, and the Wyoming WIC Program. The vendor must provide evidence from the transaction log and/or electronic receipt copies that shows proof of the card being present in the lane and WIC-eligible items being purchased and decremented from the card. The evidence must provide the PAN, date/time, lane number, UPCs purchased and category/subcategory information.

If the vendor's dispute is denied, the vendor will receive written notification explaining the reason for the denial.

If there is a question/concern regarding a WIC transaction, please contact the WYO W.E.S.T. customer service number (located in the "Introduction" section of this manual).

PAYMENT APPEALS

If the vendor's dispute is denied and they wish to appeal the denial, the vendor must submit a written appeal to the Wyoming WIC Program at the following address:

Wyoming WIC Program
122 West 25th Street
3rd Floor West
Cheyenne, WY 82002

OR via email to: wdh-wywicvendor@wyo.gov

If a vendor fails to notify the Wyoming WIC Program in advance of hardware and/or software changes that results in a late or malformed claim/transaction submission, the vendor will have to appeal the claim or transaction(s) that has been reduced. There is no guarantee that the appeal will be approved.

VENDOR MONITORING

The Wyoming WIC Program is required to monitor at least 5% of all WIC authorized vendors each federal fiscal year. Monitoring visits may be announced or unannounced and is performed by either WIC local clinic or State Office vendor staff.

- Monitoring is required for authorization/reauthorization.
- Monitoring visits may discuss problems that may be happening, answer questions, and address any concerns.
- Minimum stocking requirements, expired foods, labeling and pricing may be verified. Request to review infant formula invoices to ensure the store is purchasing formula from a Wyoming WIC authorized infant formula supplier.
- Ask about any changes at the store such as changes in ownership, management, store hours, etc.
- Verify WIC Shopping Guides are available at each functioning cash register.
- Verify "WYO W.E.S.T. Accepted Here" signs (Appendix 10) is at every entrance.
- Ask about in-store WIC training of new cashiers.
- Evaluate use of shelf talkers for appropriate placement.
- Evaluate overall cleanliness of the store and whether coolers and freezers containing WIC-approved foods are working properly.
- Review of monthly WIC sales volume, problem transactions, and participant concerns regarding specific vendors.
- Make sure store staff know how to place a register in training mode.

COMPLIANCE INVESTIGATIONS

As mandated by USDA FNS, the Wyoming WIC Program must conduct compliance investigations of at least 5% of all vendors each federal fiscal year based on high-risk indicators or by random selection. Compliance investigations involve an unannounced, covert, in-store investigation by one or more WIC representatives posing as WIC customers using a WIC card to test the vendor's compliance with the Vendor Agreement and program policies/redemption procedures. The WIC representative does not reveal to store personnel that they are a WIC representative during the visit. Violations documented during these visits may result in sanctions, up to and including disqualification and termination of the WIC authorization. Vendors are notified in writing if they are violating WIC policies and procedures. They will also be informed of recommendations for corrective action and their appeal rights.

VENDOR TRAINING

Vendor training is designed to educate vendors on WIC program policies, notify vendors of new policies or changes in policy, and when applicable, provide additional education to vendors in violation of program policies. It is performed by either WIC local clinic or state office vendor staff. Vendors may request additional training or technical assistance from local or state WIC vendor staff. Training may take place on-site at the store or in a location designated by the Wyoming WIC Program. Vendor requested training is subject to staff availability.

Training requirements

- Training is required for authorization/reauthorization.
- Training may occur at the request of store management, mandatory training, or at the discretion of the vendor monitor. Vendors agree to be accountable for all actions of employees involved in WIC transactions/handling of WIC cards, and to properly train all employees.
- Annual training may be provided in several forms, including: an email/newsletter, conference call, video meeting and/or on-site training.
- Vendors who fail to attend reauthorization training will not be authorized for the new contract period and will need to reapply for authorization. Annual and authorization/reauthorization training must cover:
 - the purpose of the WIC Program
 - WIC approved foods
 - minimum stocking requirements
 - requirement to purchase infant formula from the approved list
 - procedures for transacting and redeeming WIC benefits
 - program violations and sanctions
 - the complaint process
 - claims procedures
 - incentive items policy
 - changes to program requirements since the last training
- The Store Manager/Director is required to attend any WIC training, along with a front end manager. Any additional staff can attend.
- Vendors are notified in writing if they are violating WIC policies and procedures. They will also be informed of recommendations for corrective action and their appeal rights.

REPORT PARTICIPANT MISUSE

Vendors should contact their designated local vendor monitor with questions or to resolve problems. The local vendor monitor is the first point of contact and will work with individual vendors to provide training, monitoring, or participant follow-up when needed. WIC customers are entitled to the same service and courtesies as non-WIC customers.

Your cooperation in reporting attempted Wyoming WIC Program violations/fraud will be appreciated.

Participants sign a WIC Rights and Responsibilities form that states:

DISQUALIFICATION/SUSPENSION/PROSECUTION/CASH RECOVERY MAY OCCUR FOR:

- a. Misuse of WIC benefits such as exchanging/selling, intending to sell, or give away the WYO W.E.S.T. card or food items purchased with WIC benefits verbally, in print, or online through websites such as Craigslist/Facebook/Twitter/eBay/etc. for cash, credit, or non-food items
- b. Purchasing/receiving and keeping more WIC foods than authorized or foods not on the WIC Food Shopping Guide
- c. Physical abuse, threat of physical abuse, or verbal abuse to WIC or grocery store staff
- d. Using a card reported as lost or stolen
- e. Receiving and redeeming WIC food benefits from more than one WIC clinic in the same month

If you wish to make a complaint about a WIC customer who is rude or you suspect is misusing the Wyoming WIC Program, complete the Vendor Comment Form (Appendix 7), email wdh-wywicvendor@wyo.gov, or call your local WIC agency. All reports of abuse and/or complaints should be made within three days after the incident. Be as specific as possible, making sure to record the names (if known), PAN (last 4 digits of the WYO W.E.S.T. card), and the details of the incident (time, date, physical description, words exchanged, names of staff who witnessed the incident, etc.). The complaint will be discussed with the participant and appropriate actions/sanctions taken. Copies of all store transaction receipts are helpful.

VENDOR VIOLATIONS AND SANCTIONS

Failure to read and understand the violations below, does not excuse the vendor from WIC Program sanctions or penalties. Vendors are responsible for the acts or omissions of their employees transacting WIC-related business.

If the Wyoming WIC Program finds that a vendor has committed a violation that requires a pattern of occurrences in order to impose a penalty of sanction, the Wyoming WIC Program will notify the vendor of the initial violation in writing, prior to documentation of another violation, unless the Wyoming WIC Program determines, in its discretion, on a case-by-case basis, that notifying the vendor would compromise an investigation. The following are mandatory vendor sanctions.

Mandatory Vendor Sanctions

1. Permanent Disqualification:

- a. Vendors convicted in court for the crime of trafficking in food instruments (WYO W.E.S.T. card benefits), or selling firearms, ammunition, explosives, or controlled substances (as defined in Section 102 of the Controlled Substances Act, 21 U.S.C. § 802) in exchange for WIC food instruments (WYO W.E.S.T. card benefits) shall be permanently disqualified, effective on the date of the receipt of the notice of disqualification. Convicted Vendors shall not be entitled to receive any compensation for revenues lost as a result of such violation or as a result of a disqualification which is later overturned;
- b. Permanent disqualification from SNAP.

2. 6 Year Disqualification:

The Agency shall disqualify a Vendor for six (6) years for:

- a. One (1) incidence of buying or selling food instruments (WYO W.E.S.T. cards) for cash (trafficking);
- b. One (1) incidence of selling firearms, ammunition, explosives, or controlled substances as defined in 21 U.S.C. 802, in exchange for WIC food instruments (WYO W.E.S.T. card benefits) as discovered by WIC investigation.

3. 3 Year Disqualification:

The Agency shall disqualify a Vendor for three (3) years for the following:

- a. One (1) incidence of the sale of alcohol or alcoholic beverages or tobacco products in exchange for food instruments (WYO W.E.S.T. card benefits);

- b. A pattern of claiming reimbursement for the sale of an amount of a specific supplemental food item which exceeds the Vendor's documented inventory of that supplemental food item for a specific period of time;
 - c. A pattern of charging WIC customers more for supplemental food than non-WIC customers or charging WIC customers more than the current shelf or contract price;
 - d. A pattern of receiving, transacting or redeeming food instruments (WYO W.E.S.T. card benefits) outside of authorized channels, including the use of an unauthorized Vendor or an unauthorized person;
 - e. A pattern of charging for supplemental food not received by the WIC customer;
 - f. A pattern of providing credit or non-food items, other than alcohol, alcoholic beverages, tobacco products, cash, firearms, ammunition, explosives, or controlled substances as defined in 21 U.S.C. § 802, in exchange for food instruments (WYO W.E.S.T. card benefits).
4. **1 Year Disqualification:**
The Agency shall disqualify a Vendor for one (1) year for a pattern of providing unauthorized food items in exchange for food instruments (WYO W.E.S.T. card benefits), including charging for supplemental food provided in excess of those listed on the food instrument (EBT receipt).
5. **Second Mandatory Sanction:**
A Vendor who has been previously assessed a mandatory sanction for any of the mandatory sanctions listed above (numbers 2-4) shall have the second sanction doubled. Civil Money Penalty (CMP) may only be doubled up to the limits allowed, as defined by this Agreement.
6. **Third or Subsequent Mandatory Sanction:**
Vendors assessed a third mandatory sanction shall receive a double sanction with no CMP option.
7. A WIC disqualification based on a SNAP disqualification shall be for the same length of time and may begin at a later date and is not subject to administrative or judicial review under the Agency. 7 CFR § 246.12(l)(1)(vii).
8. The Agency shall not accept from any Vendor voluntary withdrawal or non-renewal as an alternative to imposing mandatory sanctions or disqualification. 7 CFR § 246.12(l)(1)(viii).
9. The Agency shall disqualify the Vendor based on the mandatory sanctions with the following exceptions:
- a. Cases of inadequate participant/parent/caretaker/proxy access in which case a CMP would be assessed;
 - b. The Vendor had, at the time of the violation, an effective policy and training program in effect to prevent trafficking; and the ownership of the Vendor was not aware of, did not approve of, and was not involved in the conduct of the violation. (This exception is only an option for the trafficking conviction.) Any documented policies must have been dated in written form and the training documented prior to the violation in which case a CMP would be assessed. The Agency shall not give a CMP for a third or subsequent mandatory sanction. 7 CFR § 246.12(l)(1)(i).

Established Violations and Sanctions

1. The Agency shall disqualify a Vendor for multiple violations subject to Agency sanctions during a single investigation, based on the most serious violation. All violations shall be included in the notice of administrative action. If a mandatory sanction is not upheld, the Agency may impose Agency established sanction. 7 CFR § 246.12(l)(1)(xii).
2. The following Agency established sanctions may be assessed within an investigation or doubled, provided the total disqualification period does not exceed one (1) year per investigation or CMPs do not exceed the maximum amount specified in 7CFR § 3.91(b)(3) for each violation. The CMP calculation and collection will be the same for both mandatory and state disqualifications. The total amount of CMPs imposed for violations investigated, as part of a single investigation, shall not exceed the maximum amount specified in 7CFR § 3.91(b)(3). If a Vendor fails to comply with the terms of a CMP, the Vendor shall be disqualified for the length of time corresponding to the sanction. The Agency sanction may not be added to a mandatory sanction within the same investigation.

However, an Agency sanction may be imposed from the same investigation in situations where the mandatory sanctions are not upheld on appeal. 7 CFR § 246.12(l)(2)(i).

3. All Agency authorized Vendors shall be assessed, on an on-going basis, for possible Agency established violations and sanctions. All points are cumulative and will be kept current for a period of one (1) year as long as the Vendor is authorized on the program. Points accrued for each violation will be erased one year after the date of the violation regardless of a renewal of a Vendor Agreement.

Agency Violations and Sanctions

The following are the Agency established Vendor violations and sanction points to be assessed to the Vendor.

	Violation	Sanction Points
a.	Discrimination against a WIC participant (including filing a complaint with the Office of Adjudication and Compliance) and/or failure to serve a WIC participant without a judicial or legal basis	10
b.	Providing infant formula that was not purchased from approved wholesalers, distributors and/or retailers licensed in the State in accordance with state law or through infant formula manufacturers registered with the Food and Drug Administration that provide infant formula	10
c.	Knowingly entering false information or altering information on the WIC EBT receipt/benefits	8
d.	Requiring cash to be paid in whole or part to redeem food instruments or cash-value vouchers or contacting WIC participants/parents/caretakers/proxies to correct discrepancies as a result of non-payment or in an attempt to recover funds for EBT receipts not paid by the Agency or those EBT receipts where refunds were requested for overcharge	8
e.	Failure to attend mandatory training sessions after one (1) mutual opportunity to reschedule	6
f.	Failure to provide purchase invoices from the wholesaler/distributors, or other points of purchase, or inventory records, or documentation of sales data during monitoring visits or when requested to do so by the Agency	6
g.	Failure to submit a price survey upon request of the Agency	6
h.	Failure to maintain adequate inventory of WIC foods in accordance with the Vendor Manual, identified during three (3) compliance purchases or per finding during any monitoring or any Vendor on-site visits, after being given one opportunity to correct the inadequacy	6
i.	Failure to provide training to all employees who handle WIC transactions or failure to allow monitoring or training of the Vendor by WIC representatives	6
j.	Taking the WYO W.E.S.T. card from the WIC participant/parent/caretaker/proxy, asking the WIC participant/parent/caretaker/proxy for their PIN or other suspicious actions, which would be seen as attempts to fraud the Agency	6
k.	Discourteous treatment of a WIC participant/parent/caretaker/proxy as substantiated by three (3) or more complaints regarding three (3) separate instances	4

l.	Failure to take corrective action to get a WIC system back up when it is inoperable	4
m.	Failure to allow WIC participants to leave the store with WIC foods that were debited/removed from their WYO W.E.S.T. card during a WIC transaction	4
n.	Stocking or selling out-of-date WIC food commodities to WIC participants. This will include any WIC product that has a specific expiration date, "Sell by", "Best if used by", "Use by", or similar wording with a date printed on the container	2
o.	Using the WIC acronym or logo, or close facsimiles in the name of the Vendor, for any advertising, promotional material, and incentives. Using unapproved tags/channel strips or labels with the WIC acronym or logo, or close facsimiles on WIC-approved products	2
p.	Providing incentive or promotions inconsistent with the provisions in this Agreement	2
q.	Failure to comply with any other of the Vendor responsibilities noted in this Agreement	2
r.	Failure to post a WYO W.E.S.T. sign at the front of the store, or failure to post WYO W.E.S.T. signs in each cash register lane that has a working WIC terminal if the Vendor is not integrated	2
s.	Prices not clearly marked on food item or shelf	2
t.	Produce not mapped and not scanning as WIC eligible	2
u.	Failure to provide all store ECR system participant receipts (refer to Vendor Manual) to WIC participants during each WIC transaction. For non-integrated Vendors, WIC receipts will need to be printed in addition to the store ECR receipt	1

Any combined total of points:

The Vendor will be notified in writing regarding any points assessed and the type of violation(s) found.

Points	
16 to 20	Termination of this Agreement and six (6) month disqualification
15	Three (3) month suspension
5 to 14	Mandatory training and the Agency shall determine the corrective action plan, with input from the local Vendor monitor. As applicable, plans shall include but not be limited to, training of all cashiers and management
1 to 4	Warning letter from the Agency stating violation and including follow-up plan and date to correct the violation

CIVIL MONEY PENALTIES IN LIEU OF DISQUALIFICATION

1. The Wyoming WIC Program may impose a Civil Money Penalty (CMP) in lieu of a permanent disqualification when it determines, in its sole discretion and documents that:
 - a. Such action would result in inadequate participant access.

- b. The vendor had, at the time of the violation, an effective policy and training program in effect to prevent trafficking and the ownership of the vendor was not aware of, did not approve of, and was not involved in the conduct of the violation. Any documented policies must have been dated in written form and the training documented prior to the violation.
2. The Wyoming WIC Program may impose a CMP in lieu of a six month to one year mandatory disqualification when it determines, in its sole discretion and documents that such action would result in inadequate participant access.
3. If the Wyoming WIC Program permits a vendor to continue to participate in the program in lieu of permanent disqualification, the Wyoming WIC Program shall assess the vendor a CMP in an amount determined by the Wyoming WIC Program and in accordance with the following criteria:
 - a. Civil money penalties shall be calculated using a formula as specified in 7 CFR § 246.12(l)(1)(x) and shall not exceed the maximum amounts as listed in 7 CFR § 3.91(b)(3).
 - b. If a vendor does not pay, only partially pays, or fails to timely pay (includes failure to pay with an installment plan) a CMP within 30 days of receipt of a notification letter, the Wyoming WIC Program will disqualify the vendor for the length of the disqualification corresponding to the violation for which the CMP was assessed.
4. The Wyoming WIC Program may allow an installment plan to be utilized for the payment of civil money penalties provided that the installment plan is in compliance with Federal and State laws concerning the collection of interest on such debts.

WIC/SNAP DISQUALIFICATION

- Vendors disqualified or assessed a CMP by the Wyoming WIC Program may be disqualified from SNAP for an equal period to time. SNAP disqualification, as a result of disqualification from the Wyoming WIC Program, is not subject to administrative or judicial review in SNAP.
- Vendors disqualified from SNAP or any other WIC Program for a federally-mandated sanction will be disqualified from the Wyoming WIC Program.
- The reciprocal Wyoming WIC Program disqualification will be for the same length of time as the SNAP disqualification. However, the period of disqualification may begin at the same time or a later date than the SNAP/WIC disqualification.
- Prior to disqualifying a vendor for a SNAP disqualification, the Wyoming WIC Program will determine if disqualification of the vendor would result in inadequate participant access. If the Wyoming WIC Program determines that disqualification of the vendor would result in inadequate participant access, the Wyoming WIC Program will impose a CMP in lieu of disqualification. The Wyoming WIC Program cannot impose a CMP in lieu of disqualification for a third or subsequent sanctions.
- Reciprocal disqualifications are not subject to Administrative Appeal in the Wyoming WIC Program.
- Vendors assessed a CMP by SNAP in lieu of a disqualification; due to participant hardship may also be disqualified from the Wyoming WIC Program. Vendors disqualified from the Wyoming WIC Program as a result of SNAP CMP may file an Administrative Appeal with the Wyoming WIC Program.
- If the disqualification period extends beyond the expiration date of the Vendor Agreement, the re-authorization period will be delayed to allow for the completion of the disqualification period.

APPEAL/REVIEWS

1. The firm/individual/vendor has the right to appeal a Wyoming WIC Program decision within 30 days of notification pertaining to denial of application to participate, suspension, disqualification, or any other adverse

action which affects participation during the contract or agreement performance period. 7 CFR § 246.18(a)(1)(i)(ii).

2. Administrative review is not available for any of the following:
 - a. The validity or appropriateness of the Wyoming WIC Program's vendor selection criteria for minimum variety and quantity of supplemental foods, business integrity or current SNAP disqualification or CMP for hardship. 7 CFR § 246.12(g)(3);
 - b. The validity or appropriateness of the Wyoming WIC Program's vendor peer group criteria and the criteria used to identify vendors that are above fifty percent (50%) vendors or comparable to above fifty percent (50%) vendors;
 - c. The validity or appropriateness of the Wyoming WIC Program's participant access criteria and the Wyoming WIC Program's participant access determinations;
 - d. The Wyoming WIC Program's determination whether a vendor had an effective policy and program in effect to prevent trafficking and that the ownership of the vendor was not aware of, did not approve of, and was not involved in the conduct of the violation. 7 CFR § 246.12(l)(1)(i)(B);
 - e. Denial of authorization if the Wyoming WIC Program's vendor authorization is subject to the procurement procedures applicable to the Wyoming WIC Program;
 - f. The expiration of a Vendor Agreement;
 - g. Disputes regarding EBT receipt payments and vendor claims (other than the opportunity to justify or correct a vendor claim);
 - h. Disqualification of a vendor as a result of disqualification from the SNAP. 7 CFR §246.12(l)(1)(vii);
 - i. The Wyoming WIC Program's determination whether to notify a vendor when an investigation reveals an initial violation for which a pattern of violations must be established in order to impose a sanction;
 - j. The Wyoming WIC Program's determination to include or exclude an infant formula manufacturer, wholesaler, distributor or retailer from the Wyoming WIC Program's list.

ADMINISTRATIVE APPEAL PROCEDURE

If a vendor is dissatisfied with any decision made regarding the eligibility of a grocery store to participate in the Wyoming WIC Program, the following procedure must be followed:

1. Written notification of the adverse action, the procedures to follow to obtain a full administrative review and the cause(s) for and the effective date of the action must be provided to the vendor.
2. The vendor may present a written request to the local vendor monitor, the State Vendor Coordinator, or the State WIC Program Manager for the opportunity to appeal the adverse action and to have the case reviewed within 30 days.
3. The vendor or his/her designated representative will be contacted within three days after the written request is received. At that time, a date and location will be set for the administrative review/hearing. The hearing will be held within 21 days. The vendor will be notified of the hearing at least 10 days before the hearing.
4. If the vendor or his/her representative cannot appear at the scheduled time and place, he/she will have one opportunity to reschedule and ask the hearing officer to change it.
5. If the vendor or his/her representative does not appear for the hearing or if the vendor requests the hearing to be canceled, it will be canceled.
6. The vendor or his/her representative will be given the opportunity to confront and cross-examine adverse witnesses.

7. The vendor or his/her representative will be given the opportunity to be represented by counsel.
8. The vendor or his/her representative will be given the opportunity to examine prior to the review the evidence upon which the Wyoming WIC Program's action is based.
9. The State Vendor Coordinator, State WIC Program Manager, or legal counsel (State Attorney General or General Counsel's office) may present the Wyoming WIC Program case during an administrative review.
10. An impartial decision-maker (Fair Hearing Officer) will oversee the hearing and their determination must be based solely on whether the Wyoming WIC Program has correctly applied Federal and State statutes, regulations, policies and procedures governing the Program, according to the evidence presented at the review.
11. The Fair hearing officer will either be the Public Health Administrator or a representative from the WDH Director's Office.
12. Written notification of the review decision, including the basis for the decision, must be provided within 90 days from the date of receipt of a vendor's request for an administrative review.
13. The Wyoming WIC Program and the vendor must follow the decision(s) made at the hearing.
14. Appealing an action does not relieve vendors of their responsibility for compliance.
15. The review decision(s) rendered under both the review procedures are the final Wyoming WIC Program action. If the adverse action under review has not already taken effect, the Wyoming WIC program must make the action effective on the date of receipt of the review decision by the vendor.
16. If the vendor does not agree with the decision made at the State hearing, the vendor may pursue judicial review.

NONDISCRIMINATION STATEMENT

In accordance with federal civil rights law and U.S. Department of Agriculture (USDA) civil rights regulations and policies, this institution is prohibited from discriminating on the basis of race, color, national origin, sex (including gender identity and sexual orientation), disability, age, or reprisal or retaliation for prior civil rights activity.

Program information may be made available in languages other than English. Persons with disabilities who require alternative means of communication to obtain program information (e.g., Braille, large print, audiotope, American Sign Language), should contact the responsible state or local agency that administers the program or USDA's TARGET Center at (202) 720-2600 (voice and TTY) or contact USDA through the Federal Relay Service at (800) 877-8339.

To file a program discrimination complaint, a Complainant should complete a Form AD-3027, USDA Program Discrimination Complaint Form which can be obtained online at:

<https://www.usda.gov/sites/default/files/documents/ad-3027.pdf>, from any USDA office, by calling (866) 632-9992, or by writing a letter addressed to USDA. The letter must contain the complainant's name, address, telephone number, and a written description of the alleged discriminatory action in sufficient detail to inform the Assistant Secretary for Civil Rights (ASCR) about the nature and date of an alleged civil rights violation. The completed AD-3027 form or letter must be submitted to USDA by:

- (1) mail: U.S. Department of Agriculture
Office of the Assistant Secretary for Civil Rights
1400 Independence Avenue, SW
Washington, D.C. 20250-9410; or
- (2) fax: (833) 256-1665 or (202) 690-7442; or
- (3) email: program.intake@usda.gov.

This institution is an equal opportunity provider.

DEFINITIONS

Above-50-Percent Vendor: A vendor that derives more than 50 percent of its total annual food sales revenue from WIC food instruments, and new vendor applicants expected to meet this criterion under guidelines approved by the Food and Nutrition Service (FNS).

ACH: Automated Clearing House. An electronic network for financial transactions. ACH credit transfers include vendor payments.

ACK: Acknowledgement File. The ACK File is a response file to a Claim file that contains information on rejected files and/or rejected transactions.

APL: Authorized Product List. Contains all products which are eligible for purchase with a WYO W.E.S.T. card.

ARF: Auto Reconciliation File. The Wyoming WIC Program creates an Auto Reconciliation File for each good Claim file submitted by the vendor. The purpose of the Auto Reconciliation File is to assist vendors in resolving discrepancies between what was claimed and what was paid. The file will contain the final disposition of all transactions received by the Wyoming WIC Program from the vendor, as well as detailed payment and adjustment information at the UPC level.

Authorized Foods: Those supplemental foods authorized by the Wyoming WIC Program for issuance to a particular participant.

Balance Inquiry: a type of transaction initiated by the cardholder in the checkout lane or at a stand-beside device to check the household's available balance, including a description of the food category/subcategory, available benefits, unit of measure, and the last date to use the benefits.

Beginning Balance Receipt: This receipt will print at the beginning of the transaction and will list the description of the food items available to be purchased, as well as list the quantity that may be purchased on the card at the time the receipt is printed. This receipt **must be given** to the WIC customer.

Cash Value Receipt: This receipt may print for the vendor to indicate the cash value of the WIC purchase. This receipt is not required to be printed at the grocery store and if printed is not a receipt that needs to be given to the WIC customer.

Claim File: A file that is passed to the Wyoming WIC Program that includes details of individual WIC transactions.

Compliance Buy: A covert, on-site investigation in which a representative of the Wyoming WIC Program poses as a participant, parent, or caretaker of an infant or child participant, or proxy, and purchases/attempts to purchase WIC benefits with a WYO W.E.S.T. card, and does not reveal during the visit that he or she is a program representative.

Conflict of Interest: A conflict of interest exists when:

- there is a pecuniary (financial) relationship between the vendor and the WIC Program or the local agency.
- relatives serve WIC customers.
- training or monitoring visits are conducted by a local vendor monitor who may be related to the grocery store owner or other store management staff.

Conflicts of interest are prohibited between the Wyoming WIC Program and the vendor, and/or the local WIC agency and the vendor. The Vendor Agreement shall

be terminated if the Wyoming WIC Program identifies a conflict of interest between the vendor and the program or its local agencies.

Cost Containment: A provision of the Child Nutrition and WIC Reauthorization Act of 2004 that requires WIC State agencies to implement a vendor peer group system, competitive price criteria, and allowable reimbursement levels in a manner that ensures the WIC Program pays authorized vendors competitive prices for supplemental foods.

Coupon: A digital or printed voucher that allows a customer to receive a product at a reduced price or at a higher quantity; coupons may be provided to customers by vendors, manufacturers, or other entities.

CVB: Cash Value Benefit. A fixed-dollar amount added to a participant's WYO W.E.S.T. card which is used by a participant to obtain authorized fruits and vegetables.

EBT Capable: A WIC vendor must demonstrate their cash register system or payment device can accurately and securely obtain WIC food balances associated with an EBT card, maintain the necessary files such as the authorized product list, hot card file and claim file and successfully complete WIC EBT purchases.

EBT: Electronic Benefit Transfer. A benefit delivery method that permits electronic access to WIC food benefits using a card or other access device approved by the Secretary.

ECR: Electronic Cash Register. A point-of-sale device that supports retail transactions.

Ending Balance Receipt: This receipt will print at the end of the WIC transaction and will list the description and quantity of the food items left on the card that are still available to be purchased. This receipt **must be given** to the WIC customer.

FNS: Food and Nutrition Service. The division of the United States Department of Agriculture (USDA), responsible for oversight of the Special Supplemental Nutrition Program for Women, Infants, and Children (WIC) at the national and regional levels.

FTP: File Transfer Protocol. A standard for transferring files between computers on a network, such as the internet.

GS 1 Databar: The GS1 Databar is a stacked omnidirectional barcode created by the global standards organization, GS1. It is small enough to fit on a sticker put on a fruit or vegetable and can be scanned in the lane. Sometimes the GS1 Databar contains an embedded PLU code and it may contain weight or price information.

GTIN: Global Trade Item Number (GTIN) - A numbering scheme displayed at the bottom of and encoded in the GS1 compliant UPC bar codes. It is composed of the UPC Company Prefix assigned by GS1 to a manufacturer, an item reference number assigned by the manufacturer and a check digit.

HCL: Hot Card List. A file containing the primary account number (PAN) of any WIC EBT smart card which has been invalidated for any reason, including loss, theft, or administrative action by the WIC Program.

High-Risk Vendor: A vendor identified as having a high probability of committing a vendor violation through application of the criteria established in 7 CFR § 246.12(j)(3) and any additional criteria established by the Wyoming WIC Program.

Hot Card: A card that has been invalidated for any reason including loss, theft, or administrative action by the Wyoming WIC Program. These cards appear in the "Hot Card" List file.

- IFPS:** International Federation for Produce Standards. A coalition of fruit and vegetable associations from around the globe that joined together in 2001 as equal partners to pursue the task of introducing a global standard for the use of international Price Look-Up (PLU) numbers.
- Incentive Item:** An item or service provided by a vendor to attract customers or encourage loyalty.
- In-store Promotion:** A sales promotion in which a vendor may offer incentive items, vendor discounts, or coupons in order to increase sales of certain items or encourage customer loyalty to the vendor.
- Integrated POS System:** The equipment and related software that is used by the WIC vendor to process all transactions including WIC (i.e., PIN pad, cash register, and back office processing software).
- Inventory Audit:** The examination of food invoices or other proofs of purchase to determine whether a vendor has purchased sufficient quantities of supplemental foods to provide WIC customers the quantities specified on WIC receipts or the electronic journal and redeemed by WIC benefits at the vendor during a given period of time.
- Itemized Store Receipt:** This is the same type of store receipt that is provided to customers for non-WIC transactions. Items purchased with WIC benefits must be identified on the receipt. This receipt **must be given** to the WIC customer.
- Large Grocer:** A grocery store with six or more cashier lanes.
- Mixed Basket Transaction:** A WIC electronic benefits transfer transaction (EBT) that includes WIC and non-WIC items and, therefore, requires more than one tender type.
- NTE:** Not-To-Exceed amounts for which WIC vendors are subject to price limitations on WIC authorized foods.
- PAN:** Primary Account Number. A numeric field that identifies the issuing State/Program and the account to whom the card was issued. It is located on the front of the WYO W.E.S.T. card.
- Pattern:** A pattern will be based on the severity of the violation and will vary per incidence.
- Peer Groups:** A WIC classification of authorized vendors into groups based on common characteristics or criteria that affect food prices for the purposes of applying appropriate competitive price criteria to vendors at authorization and limiting payments for food to competitive levels.
- PIN:** Personal Identification Number. A number set by the cardholder to maintain secure access to food benefits via the card.
- PLU:** Price Look Up Code. A four or five digit code assigned by the International Federation for Produce Standards (IFPS). PLUs are used by a WIC Vendor to identify products that typically are of variable measure, such as fresh fruits and vegetables. The trailing four digits of organic products represent the standard PLU for a food item.
- POS:** Point of Sale.
- Redemption Mode:** The normal full-featured processing mode that will allow both balance inquiries and WIC benefit redemptions that result in decrementing benefits from the card.
- Redemption/Utilization Receipt:** This receipt will print after items have been totaled, and WIC is being tendered. It will show the WIC customer what food items will be decremented from their WIC benefits. This receipt **must be given** to the WIC customer before they are directed to approve (yes/enter) or disapprove (no/cancel) the WIC transaction.

- Routine Monitoring:** Overt, on-site monitoring during which WIC Program representatives identify themselves to vendor personnel.
- Sanction:** An administrative action taken as a result of a violation.
- Small Grocer:** A grocery store with fewer than six cashier lanes.
- Smart Card:** A payment card that has an integrated microcomputer chip embedded on the card.
- SNAP:** Supplemental Nutrition Assistance Program (formerly the Food Stamp Program).
- Stand-Beside POS System:** The equipment and related software that is used by the WIC vendor to process WIC transactions only, but is not integrated with the cash register.
- Supermarkets:** Retail establishments having sales over \$2 million annually in food.
- Superstores:** Retail establishments primarily engaged in retailing a general line of groceries in combination with general lines of new merchandise, such as apparel, furniture and appliances.
- Training Mode:** Used to educate grocery store personnel on the operation of the WIC transactions in the grocer system. Special training cards that have been provided by the Wyoming WIC Program must be used. These cards are designated by the 8th digit of the PAN being a 9.
- UPC:** Universal Product Code. A specific type of barcode used to identify products sold by the WIC vendor. The numbers shown in the barcode are entered on the APL file to identify authorized WIC food items.
- Vendor Authorization:** The process by which the Wyoming WIC Program assesses, selects, and enters into agreements with vendors that apply or subsequently reapply to be authorized as vendors.
- Vendor Discount:** An in-store promotion that reduces the price or increases the quantity of a given product; a vendor discount could also result from the use of a coupon.
- Vendor Overcharge:** Intentionally or unintentionally charging the Wyoming WIC Program more for authorized supplemental foods than is permitted under the Vendor Agreement.
- Vendor Selection Criteria:** The criteria established by the Wyoming WIC Program to select individual vendors for authorization consistent with requirements in 7 CFR § 246.12(g)(3).
- Vendor:** A sole proprietorship, partnership, cooperative association, corporation, or other business entity operating one or more grocery stores authorized by the Wyoming WIC Program to provide authorized supplemental foods to WIC customers under a retail food delivery system. Each grocery store operated by a business entity constitutes a separate vendor and must be authorized separately from other grocery stores operated by the business entity. Each vendor must have a single, fixed location, except when the authorization of mobile grocery stores is necessary to meet the special needs described in the Wyoming WIC Program's State Plan in accordance with 7 CFR § 246.4 (a)(14)(xiv).
- Violation:** Any intentional or unintentional action of a vendor's current owners, officers, managers, agents, or employees (with or without the knowledge of management) that violates the Vendor Agreement or Federal or State statutes, regulations, policies, or procedures governing the Program.
- Void Receipt:** This receipt will print if the sale is voided. This receipt **must be given** to the WIC customer.
- WYO W.E.S.T.:** **Wyoming WIC EBT System Today.** It is the EBT card that is used to issue/redeem WIC benefits for Wyoming WIC participants.

APPLICATION FOR VENDOR AUTHORIZATION

BANKING INFORMATION

By providing your bank information, you are giving the Wyoming WIC Program permission to deposit funds electronically into the specified account.

The Wyoming WIC Program EFT Form can be found on the Wyoming WIC website; under Vendor Services; Other Vendor Forms; Banking Form. <https://health.wyo.gov/publichealth/wic/vendor-services/>

A **new vendor** will need to complete a Wyoming WIC Program EFT Form in order to be paid by the Wyoming WIC Program.

An **existing WIC authorized vendor** whose banking information changes must notify their local vendor monitor or state vendor staff and complete a Wyoming WIC Program EFT Form.

DECLARATION

To the best of my knowledge, all of the above answers are correct. I understand that, should my store be accepted as a WIC vendor, I will abide by WIC Program Regulations and Policies including, but not limited to, the following:

1. The Vendor Agreement
2. The Wyoming WIC Vendor Manual
3. Periodic correspondence provided by state or local WIC offices
4. Federally required monitoring for compliance

A vendor is ineligible for authorization if the vendor's sole proprietor or any person who owns or controls more than a 10% interest in a vendor owner partnership, corporation or other legal entity is employed by the Wyoming WIC Program or has a spouse, child, parent, or sibling who is employed by the Wyoming WIC Program.

The Wyoming WIC Program shall review the accuracy of all applicant qualifications and will make appropriate authorizations based upon the results of such review.

BY SUBMITTING THIS FORM, YOU AGREE THAT THE INFORMATION PROVIDED IS ACCURATE AND YOU UNDERSTAND THAT SUBMITTING THIS APPLICATION DOES NOT GUARANTEE AUTHORIZATION IN THE WYOMING WIC PROGRAM. ALL APPLICATIONS WILL BE REVIEWED WITHIN 30 DAYS OF SUBMISSION

Signature below must be the owner, officer or manager who has the authority to apply on behalf of the business.

Troubleshooting WIC

Updated 05/2021

Often when an error appears on the card reader, there is nothing wrong with the card, it may actually be an issue with the store system. **Please attempt to help the WIC customer.** If WIC customers are turned away for an

issue that is not card related, they risk losing an entire month of benefits, since many WIC clinics are only open limited days/hours.

NOTE: *If you are seeing the same issue occur multiple times with different WIC customers, ask for a manager's assistance. You can attempt to use the training card to see if the issue is with the WIC customer's card or you can contact your technical support to assist you in getting your system to process a WIC transaction.*

If the card reader displays one of the messages in blue below, please try the suggestions listed before turning the WIC customer away.

Card Error Return to Clinic or Invalid/Damaged Card

1. Cancel the WIC transaction. Attempt to re-tender WIC. Have the WIC customer wipe/clean the chip on the card before they reinsert the card.
2. If the above does not work, suspend the transaction and try a different lane. Please **assist** the WIC customer in changing lanes. Before re-attempting the WIC transaction, see if a Balance Inquiry receipt will print with the WIC customer's card.
 - If the Balance Inquiry works, please attempt the transaction again.
 - If the Balance Inquiry does not work, please advise them to contact their local WIC clinic.

System Freezes During a Transaction

If the system freezes during a transaction and you are not sure if benefits were removed from the WIC customer's card, do the following:

1. Attempt a Balance Inquiry.
2. Compare the Beginning Balance receipt from the previous transaction in question to the new Beginning Balance receipt from the Balance Inquiry.
 - If the receipt quantities are identical, the WIC food was not removed from the card and you will need to re-tender WIC.
 - If the receipt quantities are different, the food was removed from the card. Do **NOT** re-tender WIC.

NOTE: *The WIC customer must be allowed to leave the store with any foods that were removed from their card. They should not be expected to pay for their WIC foods when the WIC transaction is not successful.*

No Current WIC

Suspend the transaction. Attempt to do a Balance Inquiry in the current lane or in another lane. A Beginning Balance receipt should print and it will show if the WIC customer has current month benefits.

- If the WIC customer does have current month benefits, please try the transaction again or **assist** the WIC customer with moving to another lane where the transaction should work.
- If the WIC customer does not have current month benefits, please advise them to contact their local WIC clinic.

This institution is an equal opportunity provider.

Wyoming WIC Program
VENDOR COMMENT FORM

The Wyoming WIC Program is interested in knowing about specific problems you may encounter with WIC participants, WIC transactions, or WIC foods. Your comments and concerns will help us make the WIC Program work better for you and WIC participants.

Please complete this form and return using one of the following methods:

1. Email to: wdh-wywicvendor@wyo.gov
2. Give to your local WIC office
3. Fax to: 307-777-5643
4. Mail to: Vendor Coordinator, WY WIC Program, 122 West 25th Street, 3rd Floor West, Cheyenne, WY 82002

Vendor Name:	Phone:
Address (include city)	
Would you like a response to your problem, suggestion, or comment? <input type="checkbox"/> Yes <input type="checkbox"/> No	Would you like to remain anonymous? <input type="checkbox"/> Yes <input type="checkbox"/> No

Participant Name (if known):	PAN (may only have the last 4 digits):
Date(s) of Occurrence(s):	Time(s) of Occurrence(s):
Place a check next to the appropriate response:	
	Participant tried to buy unauthorized item(s). Please list:
	Participant tried to receive cash for WIC EBT card in addition to foods.
	Participant tried to return items purchased with the WYO W.E.S.T. card for cash, credit, or other WIC/non-WIC items.
	Participant was verbally or physically abusive to employees.
	Participant's WIC product(s) would not scan. Please list:
	Other – Please list:
