

# EMT Class

## starting Aug 20, 2024

### Become an Emergency Medical Technician (EMT)

Emergency Medical Technician (EMT's) are the first line of defense in medical emergencies. They are trained to provide basic life support and other essential care to patients including patient transport. EMT's play a vital role in the emergency medical services (EMS) system, and their skills are in high demand.

**Class will start Aug 20, 2024 and end Dec 10, 2024**

Class will be held every Tuesday and Thursday evening from 6pm-10pm at the Saratoga SCWEMS station. There will also be some Saturdays that will be required. Snow dates will be planned as required. EMT Course is \$900 **not** including testing fees

**Register at; [www.scwems.org/trainingems-education](http://www.scwems.org/trainingems-education)**
