

Completing your FIT Kit

Together with the help of your provider, you have chosen to complete a FIT kit for your colon cancer screening because it has been determined that you have no colorectal cancer symptoms and are at average risk for colorectal cancer.

Congratulations on your path to prevention!

YOUR NEXT STEPS:

- Read the instructions included in your kit.
- Keep this kit in your bathroom for quick and easy access when it's time for a bowel movement.
- Return your kit to your provider within 1 to 2 days after collecting your stool sample. Make sure to include your patient information and enrollment sheet in the envelope!
- Your provider will contact you with the results of your test.

FOR QUESTIONS, CALL:

307-532-4069
