

Wyoming Medication Donation Program

Available Inventory as of September 27, 2024

Upcoming Closures: Monday, September 2nd (Labor Day), Wednesday, September 11th (Program Maintenance), and Wednesday, September 25th (Program Maintenance)

The donated inventory may vary considerably and is best used as a short-term solution to solve immediate needs. Some long-term prescription assistance alternatives include Medicare, Medicaid, and prescription assistance programs offered by drug manufacturers (PAP).

Dispensing Sites cannot order prefixed medications (AU, DOH, KS). However, their patients may access all available medications via having the patient apply directly from the central WMDP location in Cheyenne.
