

Wyoming Medication Donation Program

Available Inventory as of October 10, 2024

Upcoming Closures: Tuesday, October 8th (Program Maintenance), Wednesday, October 9th (Program Maintenance), and Wednesday, October 23rd (Program Maintenance)

The donated inventory may vary considerably and is best used as a short-term solution to solve immediate needs. Some long-term prescription assistance alternatives include Medicare, Medicaid, and prescription assistance programs offered by drug manufacturers (PAP).

Dispensing Sites cannot order prefixed medications (AU, DOH, KS). However, their patients may access all available medications via having the patient apply directly from the central WMDP location in Cheyenne.
