

Provider Substance Use Disorder Program Policy and Procedure Manual Guidance

The Wyoming Rules and Regulations for Substance Abuse Standards specify a provider shall adopt, implement, and enforce written policies and procedures per Chapter 2, Section 9 (b). It is permissible to include language and information from the rules and regulations in your policy and procedure document as long as it is written as applicable to the program being considered for state certification. Please combine all policy and procedure documents together into one electronic document, dated with the latest revision date.

Written policies and procedures must include, at a minimum:

- Compliance with state and federal law and other legal restrictions affecting confidentiality of alcohol, drug abuse, and health records in all aspects of assessment, treatment, and coordination of services
- Client grievance procedure which must include review of grievances by the provider's executive director and, if the provider receives funds from the Department according to Chapter 2, Section 2(a), review by the governing board
 - Include Behavioral Health Division contact information:
Wyoming Department of Health Behavioral Health Division
Herschler Building West, 122 West 25th Street, Suite B,
Cheyenne, WY 82002
- Clinical oversight
- Client rights including consent to treatment
- Continuing education of staff and cross-training
- Fiscal management in accordance with Generally Accepted Accounting Principles (GAAP)
- A fee schedule or written financial policy which includes a payment plan that considers the client's income, financial resources and number of dependents for clients unable to pay the established fee
