

Wyoming Department of Health Reportable Diseases and Conditions

A report is required by law (State Statute § 35-4-107) from **both the attending healthcare provider/hospital and the laboratory performing diagnostic testing.**

Wyoming laboratories are responsible for reporting results when a reference laboratory is used.

Mail reports to: Wyoming Department of Health, 122 W 25th St. 3W, Cheyenne, WY 82002 OR Fax reports to our secure fax machine at **(307) 777-5573** OR

[Electronic reporting](#) is preferred over faxing or mailing

For all LABORATORY questions please call (307) 777-7431; REPORTING please call (877) 996-9000

DISEASES IN RED: Immediate Notification at 1-888-996-9104

Diseases in Black: Reportable within **24 hours** of diagnosis by fax/telephone/ELR

Diseases in Green: Reportable within **7 days of diagnosis by fax/phone/mail/ELR**

LAB: In addition to reporting, **submit an isolate or other appropriate material**, in accordance with IATA Dangerous Goods Regulations to: State Public Health Laboratory, Combined Laboratories Facility, 208 S College Dr., Cheyenne, WY 82002
