

**Avoid Hot Coding Mistakes in MDS Sections M and N**

**July 14, 2025**

**TBD**

**60-Minute Webinar**

<b>Webinar Description</b>	Don't let coding errors leave your facility feeling the heat! This hot summer session explores the most common coding pitfalls in MDS sections M (Skin Conditions) and N (Medications). Coding errors can impact resident care outcomes, quality measures (QMs), and more. Join Jessie McGill, RN, BSN, RAC- MT, RAC-MTA, Senior Curriculum Development Specialist with the American Association of Post-Acute Care Nursing (AAPACN), to learn how to avoid pressure ulcer coding missteps and medication classification mix-ups.
<b>Objectives</b>	After participating in this webinar, learners will be able to: <ul style="list-style-type: none"><li>• Recognize common coding errors in sections M and N that impact resident outcomes, QMs, reimbursement, survey, and care planning</li><li>• Identify strategies to correct inaccurate documentation and prevent future skin and medication coding mistakes</li></ul> Discuss the facility's coding practices to identify opportunities for improvement and staff education
<b>Content Outline</b>  [enter topic and time here] <b>(e.g. Preventing falls 15 MN)</b>  <b>[enter topic and time here]</b> <b>(e.g. Preventing falls 15 MN)</b>  <b>Questions: 10 MN</b>	Section M (25 min) <ul style="list-style-type: none"><li>• Overview of pitfalls/common coding mistakes</li><li>• Impact on residents, QMs, reimbursement, survey, and care planning</li><li>• Strategies to correct</li><li>• Improvement and prevention of coding mistakes</li></ul> Section N (25 min) <ul style="list-style-type: none"><li>• Overview of pitfalls/common coding mistakes</li><li>• Impact on residents, QMs, reimbursement, survey, and care planning</li><li>• Strategies to correct</li><li>• Improvement and prevention of coding mistakes</li></ul> Questions (10 min) <ul style="list-style-type: none"><li>• Live Q&amp;A</li></ul>
<b>Presenter(s)</b>	Jessie McGill, RN, BSN, RAC- MT, RAC-MTA Senior Curriculum Development Specialist Jessie is a senior curriculum development specialist for AAPACN. Previously, Jessie worked as the director of clinical reimbursement for a large long-term care organization overseeing 17 clinical reimbursement consultants across 21 states including nearly 300 living centers. She has more than 20 years of long-term care experience including restorative nurse, MDS coordinator, regional clinical reimbursement specialist, clinical reimbursement trainer, and director of clinical reimbursement. Jessie is passionate about developing the skills of nurse assessment coordinators, restorative nursing, and improving residents' quality of life and care.
