

Wyoming
Department
of Health

**WE NEED
YOU!**

The WDH is conducting
public meetings
to gather input on rural
healthcare challenges,
strengths, and
opportunities.

On July 4, 2025, President Trump signed the
One Big Beautiful Bill Act into law, creating the
Rural Health Transformation Program.
This new program offers Wyoming a significant
opportunity to **strengthen rural healthcare**
through sustainable, innovative, and
transformative solutions.
