

Wyoming Medication Donation Program

Available Inventory as of October 08, 2025

Upcoming Closures: Wednesday, October 8th (Program Maintenance), and Tuesday AND Wednesday, October 21st-22nd (Program Maintenance Project)

The donated inventory may vary considerably and is best used as a short-term solution to solve immediate needs. Some long-term prescription assistance alternatives include Medicare, Medicaid, and prescription assistance programs offered by drug manufacturers (PAP).

Dispensing Sites cannot order prefixed medications (AU, DOH, KS). However, their patients may access all available medications via having the patient apply directly from the central WMDP location in Cheyenne.
