

PUBLIC NOTICE
Intent to Adopt New Rule
Wyoming Department of Health

Public notice is hereby given that the Wyoming Department of Health, Division of Healthcare Financing, proposes to adopt the following new rule pursuant to its statutory authority in Wyoming Statutes §§ 42-4-101 through -124.

Wyoming Medicaid Rules
Chapter 53
Home and Community Based Services Pilot Program

Chapter 53 establishes standards and procedures to conduct a pilot program to pay general fund financial incentive payments to providers and case managers who provide specialized transitional Home and Community-Based Services to clients transitioning from the Wyoming State Hospital to home or community-based living.

Currently, it is difficult to enlist providers and case managers willing to provide such transitional services. Additionally, the existing waiver system lacks the structure and resources necessary to manage such transitional services.

As required by Wyoming Statutes § 16-3-103(a)(i)(G), this proposed change meets minimum substantive state statutory requirements.

To obtain a copy of this amended rule, contact:

Denzel Clifton
122 W. 25th St., 4th Floor West

Any person may urge the Agency not to amend this rule and may request that the Agency state its reasons for overruling the consideration urged against amendment.
