What We Can Re-dispense:

- ✓ Medications in sealed packaging
- ✓ Medications that are still in-date (5+ months before expiration)

What We Cannot Re-dispense:

- ☐ Opened medication items
- ☐ Expired medications (within 5 months of expiration)
- ☐ Controlled substances (e.g. medications for pain, anxiety, sleep, ADHD)
- ☐ Refrigerated medicines (even if stable at room temperature for some period of time)
- ☐ Medical supplies (including diabetic testing supplies, insulin syringes, etc.)
- ☐ Empty medication bottles
- ☐ Veterinary medicine
- ☐ Compounded drugs
- ☐ Specialty pharmacy drugs or drugs with restrictive distribution requirements (i.e. REMS drugs)
- ☐ Infusion drugs (i.e. prefilled IV bags)
- ☐ Drug products that require reconstitution

How to Donate:

Step 1. Collect acceptable medication. Remove or mark out patient identifying information (name, address, phone number, and prescription number). Leave the drug name and expiration date on the container.

Step 2. Complete a **Donor Form**, so that we can track where our donations originated from for reporting purposes.

Step 3. Donate at your local **Donation Site**. Visit our website or text [county name] to (307) 370-2086 to find a location. Donation sites are only located within the State of Wyoming. Out-of-state donors will need to mail their medications directly to the Wyoming Medication Donation Program.

Step 4. If mailing the donation and you would like delivery confirmation, use a delivery confirmation method via USPS, UPS or FedEx. For the safety of the Medication Donation Program staff, the box must not be larger than 18" x 18" x 18" and must not be heavier than 25 pounds. Mail can be sent to our central location at 2300 Capitol Avenue, Suite B27 Cheyenne, WY 82002.

The Wyoming Medication Donation Program does NOT provide tax receipts for individual donors
