Add a Level of Care Service to Current State Certification

This form is to be utilized by providers who are currently state certified with the Behavioral Health Division to add Level of Care service(s) between renewals.

Directions:

1. Complete this form in its entirety, including your Provider/Business name, location(s) where service level(s) will be provided, printed name and signature, date, and the ASAM Level of Care service(s) you would like added to your certification.
2. If you are requesting to add Impaired Driving Education, you must attach a copy of your Impaired Driving Education curricula certification of completion with submission of this form.
3. Include a written request of the service level(s) proposed. You may submit the written request
4. Include a copy of your updated Policy and Procedures document to reflect the proposed service level(s).
5. Use as many copies of this form as necessary for all provider locations.
6. Email this form and all supporting documentation to: wdh-certification@wyo.gov

Please retain a copy of this form for your reference and future use.

Providers that have requested the information within the Behavioral Health Management System (BHMS) portal do not need to complete this form.
