Impaired Driving Education Services

Driving Under the Influence/Minor in Possession (DUI/MIP) Early Intervention Education Guidance for Certification

A provider wishing to offer Impaired Driving Education Services to clients must complete and submit the following supporting documentation to the Behavioral Health Division (Division):

1. Complete Impaired Driving Education curricula training that meets the requirements of Early Intervention and Secondary Prevention Education (adults) and ASAM Level 0.5 Early Interventions DUI/MIP Education (adolescents).
    - Provider must also complete any Impaired Driving Education refresher training, as applicable, to maintain certification of completion.
2. The provider may complete the curricula through their own chosen company.
    - The curriculum must be evidence-based.
3. Upon completion of the chosen curriculum training, the provider shall acquire a certificate of completion through the selected company.
4. **Required:** Submit a copy of the certificate of completion for each staff member that will be providing Impaired Driving Services.
5. **Required:** Submit an updated copy of the provider's Policy and Procedure Manual that includes the addition of Impaired Driving Education Services, the name of the Impaired Driving Education curriculum utilized, and specification of the demographic served (adolescents, adults, or both).

Required documentation should be submitted and uploaded online in the Behavioral Health Management System (BHMS).
You can access BHMS here: https://bhms.health.wyo.gov

Impaired Driving Education Service Standards:
Providers and their programs must meet all applicable Wyoming Standards, per Chapter 2, Section 14, to provide Early Intervention and Secondary Prevention Education (adults) and ASAM Level 0.5 Early Interventions DUI/MIP Education (adolescents).
Please review Section 14 carefully to ensure full compliance with the Wyoming Mental Health and Substance Use Disorder Services Rules.
