

COMMUNICABLE DISEASE UNIT

WOMEN'S HISTORY MONTH

Women's History Month is a time to reflect on the contributions of women throughout U.S. history. In 1980, the week of March 8th was designated as National Women's History Week. Six years later, the National Women's History Project successfully petitioned Congress to expand this observance to the entire month of March.

You can still use 1-800-273-8255, and many others are available [here](#).

SAVE THE DATE

CAPPA

April 17-18, 2026 – Douglas

[Wyoming Comprehensive Care and Prevention Planning Alliance](#) (CAPPA) is the statewide community planning group for HIV, hepatitis B & C, and sexually transmitted infections (STIs) in Wyoming. Community planning is a critical process by which the health department works in partnership with the community and key stakeholders to enhance and ensure access to HIV, hepatitis, and STI prevention, testing, treatment, and care services across Wyoming. CAPPA meets three to four times a year, in various locations around Wyoming and through video conferencing.

DOXY PEP 201: BEYOND THE BASICS CDU MONTHLY WEBINAR

MARCH 17, 2026 AT 2:00-3:30 PM MST

Doxy PEP 201 builds on the basics with a brief recap of 101, then dives deeper into emerging research, including concerns about antibiotic resistance, long-term doxycycline use, and impacts on the microbiome. It will explore dosing differences between treatment, PrEP, and DoxyPEP while exploring real-world application through case studies. These scenarios will address syphilis exposure while on DoxyPEP, identifying candidates for both PrEP and DoxyPEP, and risks related to sharing medication. 1 CEU.
