CCW Renewal Training

Please mark your calendars for June 18th, 2026 at 1pm for a live virtual training session to review the important updates to the Community Choices Waiver program that will be effective July 1st, 2026. During the live session, the Division will recap the renewal process and review the approved changes with providers. The Zoom information has been posted to the [Public Notices, Engagement Groups & Projects](#) page and a recording of the training will be posted there after the training.
