

Quick Reference Guide: Vaccine Totals Report

Last Revised: 06/2024

This quick reference guide outlines the process for generating the Vaccine Totals report. This report is helpful when summarizing vaccine doses recorded in the Wyoming Immunization Registry (WyIR). It displays the number of vaccinations submitted, added, or updated for the selected organization or facility. The report is organized by the selected report type and sorted alphabetically by organization or facility name. Multiple vaccines can be selected for this report.

To navigate to the Vaccinations Totals report, follow the steps below:

1. Select “Reports” from the Main Menu.
2. Select “Report Module.”
3. The Vaccinations Totals report will be located in the “Vaccinations” list.

4. Once the “Vaccination Totals Report” menu has opened, check “Include Historical Vaccinations” at the top of the Vaccine Totals report, if applicable.
